Each person spends his lifetime recording events in the recesses of the mind. These events are etched in vibrant colors layer upon layer on the brain where they remain forever. These colors move and dance against the backdrop of the mind. They rise and fall and shape our beings, alter our feelings, and feed our souls. We then become the colors that have been etched forever on our minds. And all the while on and on we move through life coloring in more and more and more and more.

And Now It's Time To Color In The Year Of 1980-'81 . . .

Coloring in the world around in the stark black and white of the printed page—

Iran dominated world news much of the year. They continued to hold the American hostages and waged a war with Iraq.

The deposed Shah of Iran never returned to his homeland; he died and was buried in Egypt.

Russia expanded their sphere of influence this year when they moved Russian troops into Afghanistan and installed a puppet regime.

Rising energy costs created world-wide problems. Buying gas and heating and cooling became major expenditures in everyone's budget.

The Presidential elections in the United States made headlines throughout the world. Ronald Reagan, Jimmy Carter, and John Anderson vied for a seat in the Oval Office. Thomas Jefferson probably never envisioned a peanut farmer or an actor in that high office.

In the state of Washington, Mount St. Helen awoke from a long slumber with an awesome eruption and then continued to belch ashes and steam, refusing to go back to sleep.

While closer to home, Los Angeles' schools became embroiled in court-ordered bussing to help eliminate segregation and also celebrated its 200th anniversary, staging a variety of events to commemorate the occasion.

Coloring in a mosaic of the community of Rowland Heights—

The once peaceful area that contained ranches and farms for so long has quickly taken on the look of another suburb of Los Angeles. Roads now crisscross the farm lands and are clogged with automobiles rushing to and fro, while smog covers the area a large part of the time. Tracks of houses wind over the once lush farmlands. Even the hills have been altered. Pastureland has quickly fallen to the blade of the giant mechancial insects gnawing at the dirt. Hills have been leveled and valleys filled, and skeletons of houses now dot the once verdant hillsides. Shopping centers teeming with people can be found on many corners of the community.

People who moved here, yearning for a life in the country, now find themselves once more trapped in a maze of noise, cars, people, and confusion.

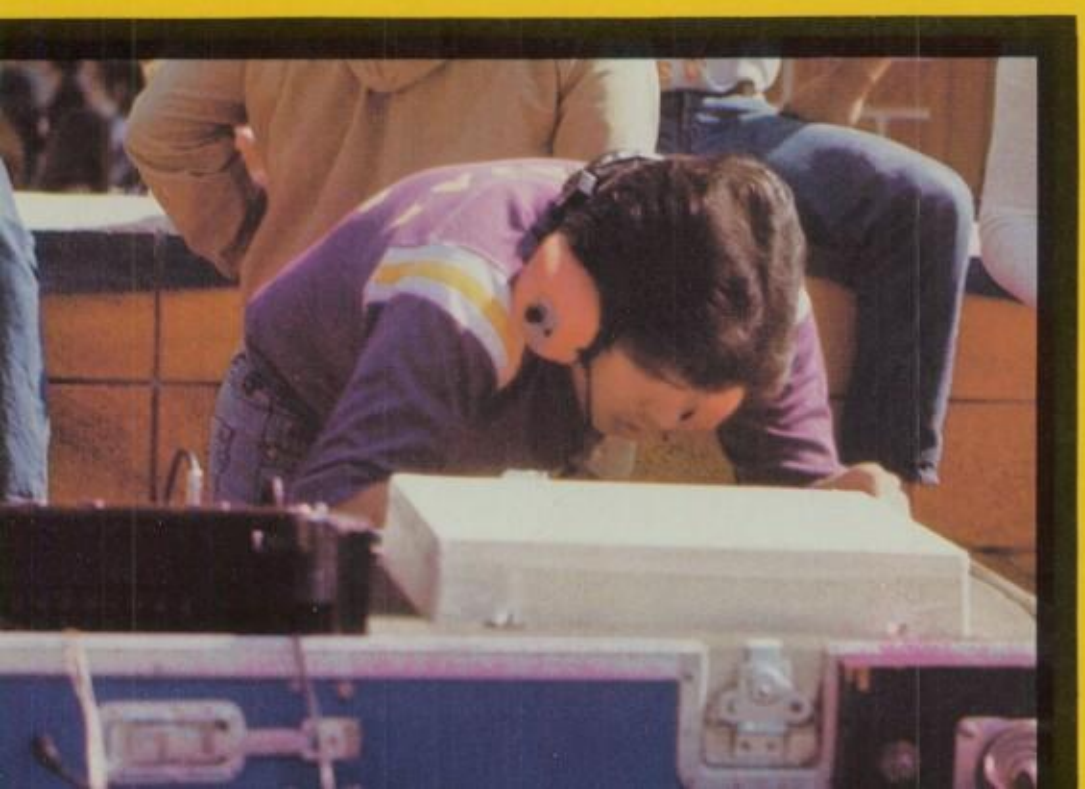
Coloring in the undulating movement found in music. It ebbs and flows, weaves in and out, entrapping fingers in our minds.

Music continued to be an important element of life on campus. Rowland's Music and Drama departments danced and sang their way through the musical "Oliver" much to the delight of sellout audiences.

Rowland Raiders Marching Band continued their upward climb, adding more and more trophies and prizes to their already impressive collection.

In the meanwhile the Chamber Singers were spreading the good news of Rowland High throughout the community, giving performances to various community organizations of Rowland Heights.

And, of course, the various crowd-pleasing groups of musicians provided noontime entertainment and music for dancing at school sponsored events.



Coloring in the diversity of clothes walking the halls of school.

Fashions changed radically this year. The disco fads of yesteryear are dead, replaced by other fads and fashions of bygone eras.

The 60's returned in an exaggeration called "Punk Rock." Dark glasses, cropped hair, and exaggerated spiked heels were matched by unearthly punkish sounds generated by groups of musicians.

The look of the Wild, Wild West became popular again. Urban cowboys, wearing hats decked out with feathers of every color, bobbed their way through the halls at school. Haute Couture jeans and cowboy boots rode mechanical bulls to the strains of Willie Nelson.

While the 1940's look of sweaters and plaid skirts in lollipop colors gator that swished and swirled around brightly colored leggs made a reappearance.

Under the new coaching staff the "Golden Raiders" started off strong but soon were plagued by injuries, altering the season's outcome to 4 wins, 6 loses. "It's a shame the season is over," admits Coach Killingsworth. "If we would have won one more game, we'd be in the playoffs right now." Outstanding performances were given throughout the year by Andy Casana, strong safety; Stan Hunt, inside linebacker; Scott Anderson, offensive tackle; Chip Hall, outside linebacker; Eddie Galvan, tightend; Craig Billingsley, noseguard; Dino Mora, wide receiver; Russell Sims, defensive tackle; and Victor Campos, inside linebacker.

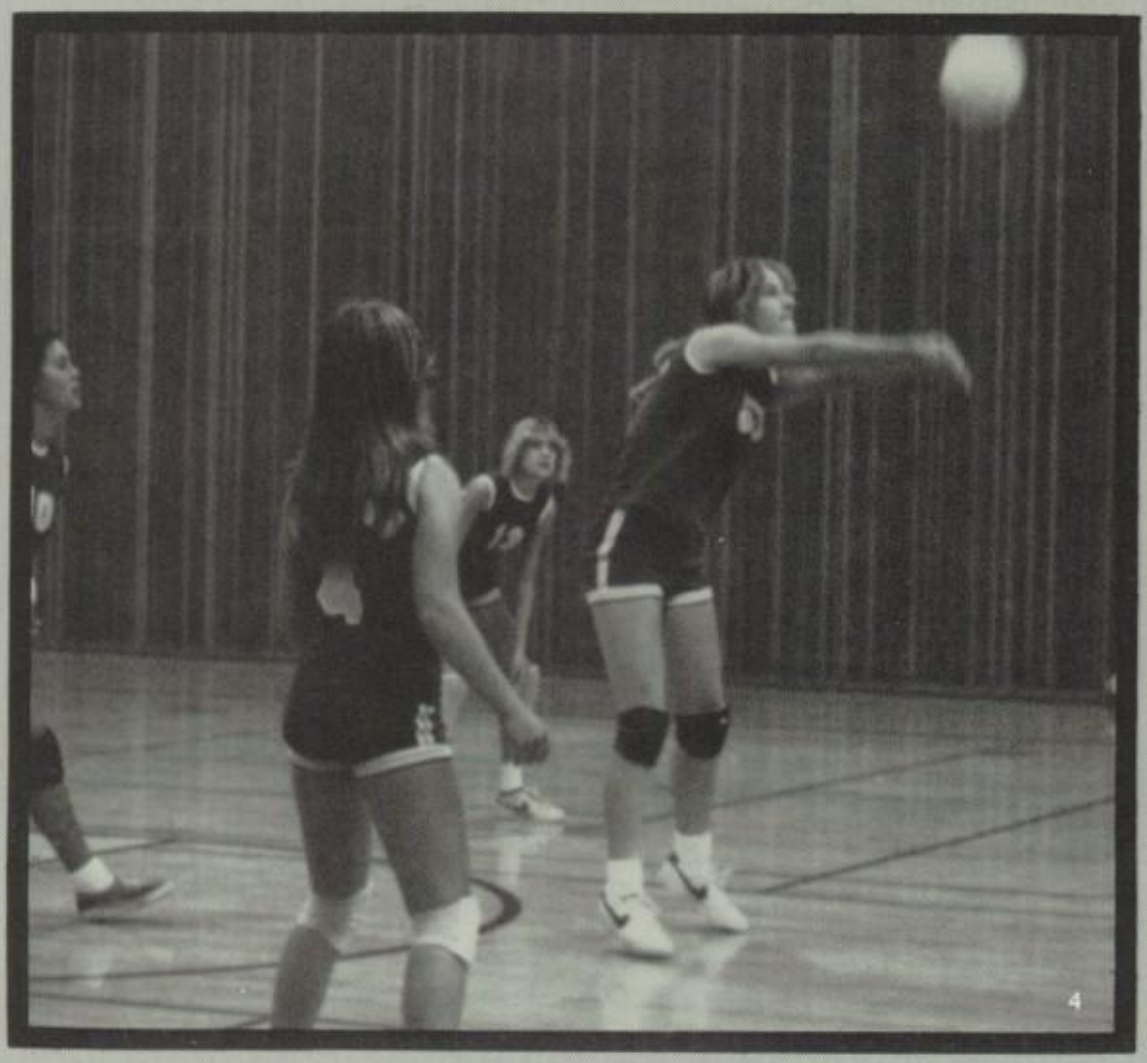
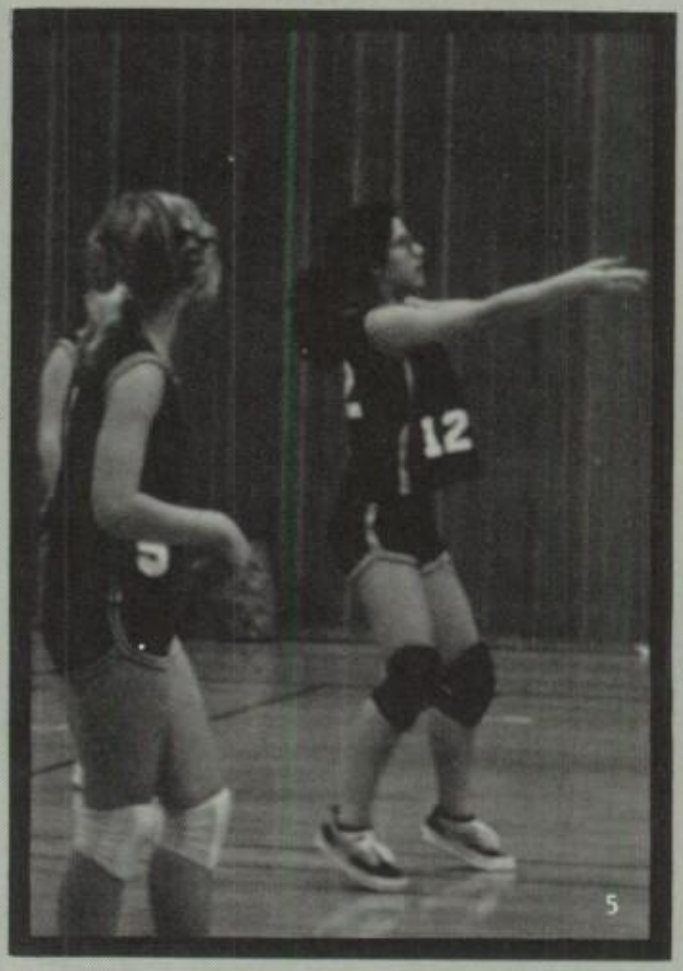
VOLLEYBALL





The Varsity Volleyball team, under the new leadership of Coach Stewart, kept their winning tradition alive. They secured a C.I.F. birth by winning a three game playoff against Edgewood. The scores were 4-15, 15-4 and 15-13. "They came a long way and worked hard to get to C.I.F.," admits Coach Stewart. "They had average talent but had the ability to work well together." They were, however, eliminated in the first round of C.I.F. after they lost to San Gabriel High School. The outstanding player was Sue McFarlen, while the most improved player was Julie See. The team was 6-16 for the year.

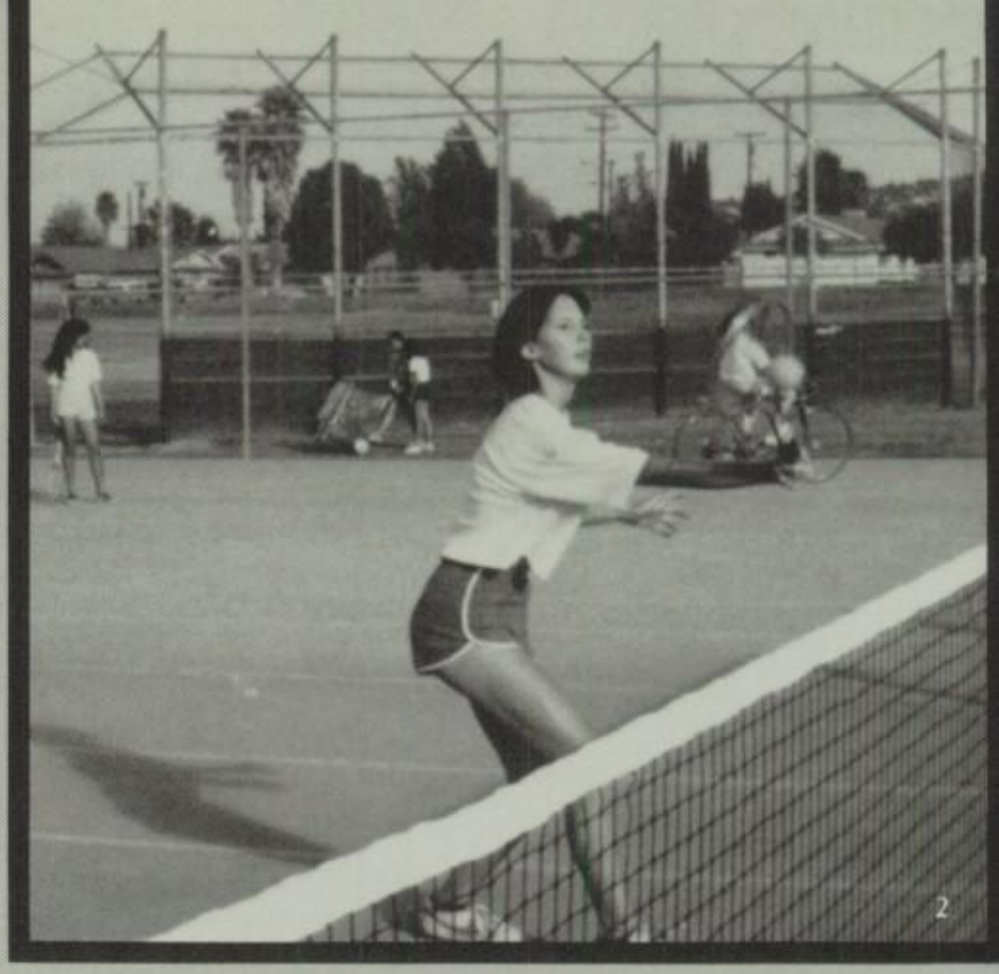
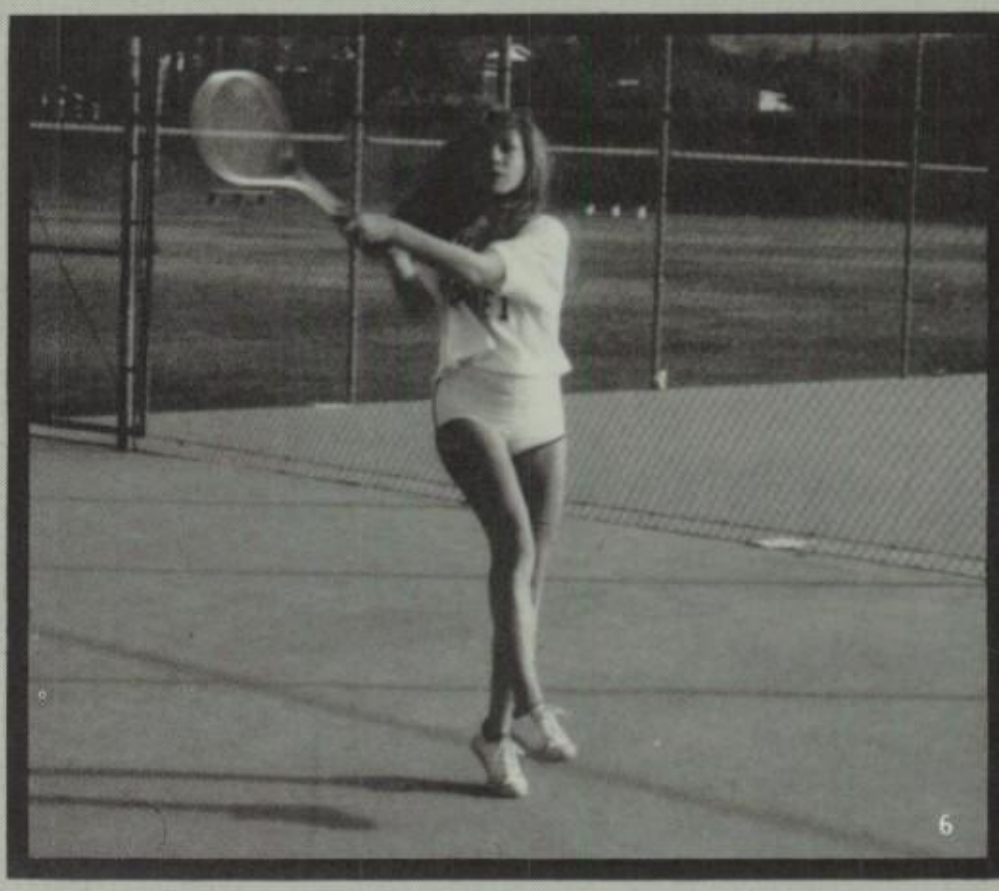
TENNIS





This year the girls J.V. tennis team had an outstanding season, placing second in the Sierra League. The team was made up of four returning girls with the remaining players newcomers. "Each year my goal is to better our record from the previous season. This year we accomplished that goal with our record of 10 - 4 in league, " states Coach Koerner. "Our hardest played matches were against Los Altos, where we always took it down to the wire." Outstanding performances were given by Tracy Hakala, Laura Smith, Lilly Lemos, Wendy Portillo, Stacy Marquez, Marlene DuClusan, Mary Frampton, Carol Wallace and Denise Burton. The most improved player was Lilly Lemos. "The team was evenly talented. Each player contributed outstandlingly when called upon." The Varsity team wasn't quite as successful as J.V. "We were strong competitors until the end, but were unable to capture our first win," admits Coach Grund.

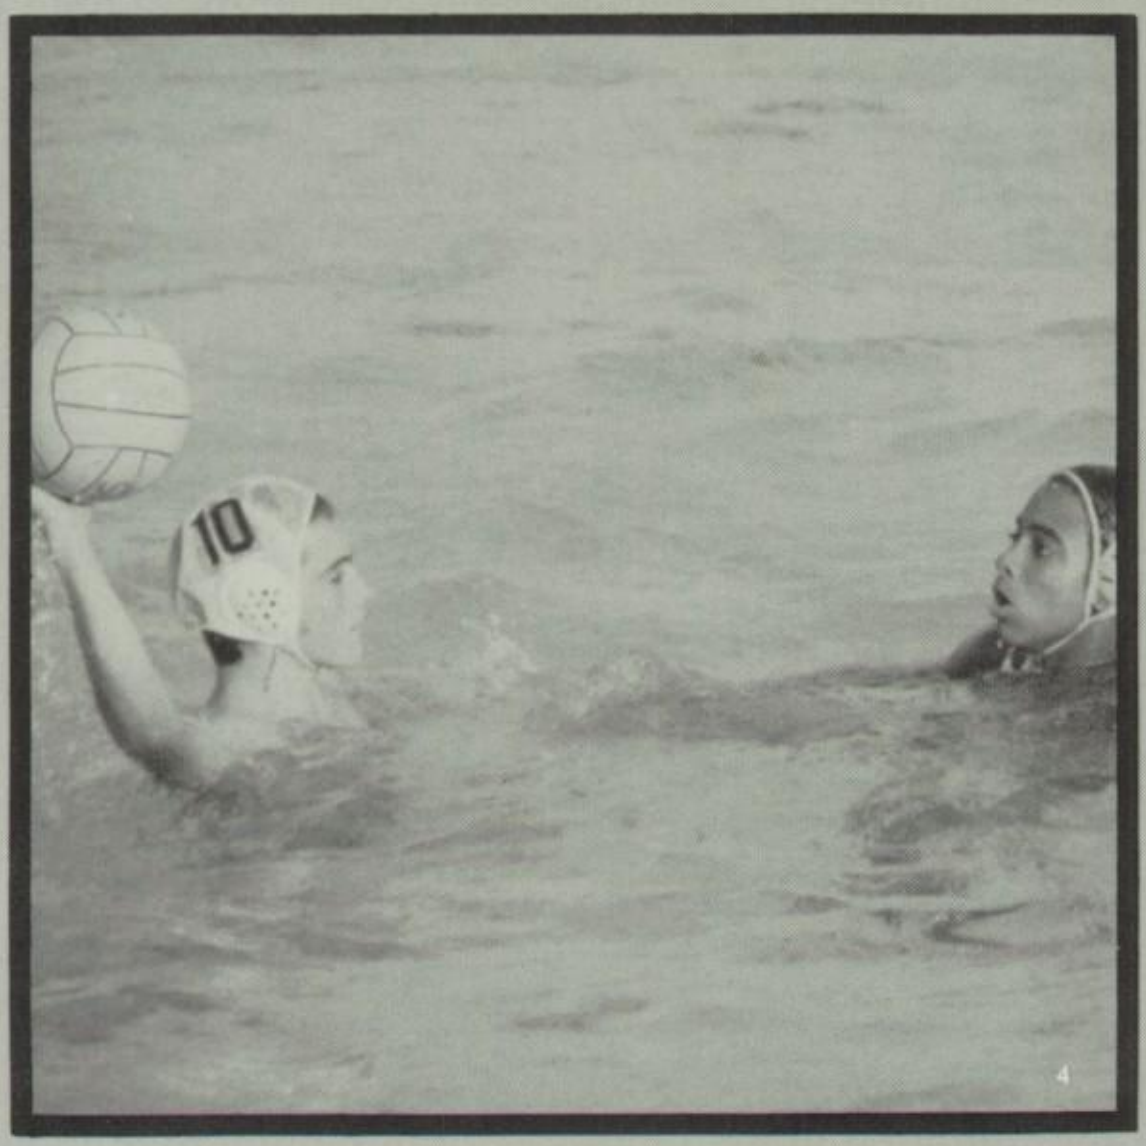
WATERPOLO



The Waterpolo team, under the coaching of John Hale, had an impressive non-league record of 11-3. Unfortunately they were unable to keep their winning streak alive and ended up 0-6 in league play. Although they went winless through the regular season, all the games were really close. The league was very tough and a lot closer than it had been in previous years. The team never quit even though they were loosing. Some of the outstanding players were Mike Woolley, Paul Russell, Steve Tenney, and Gary Gray.

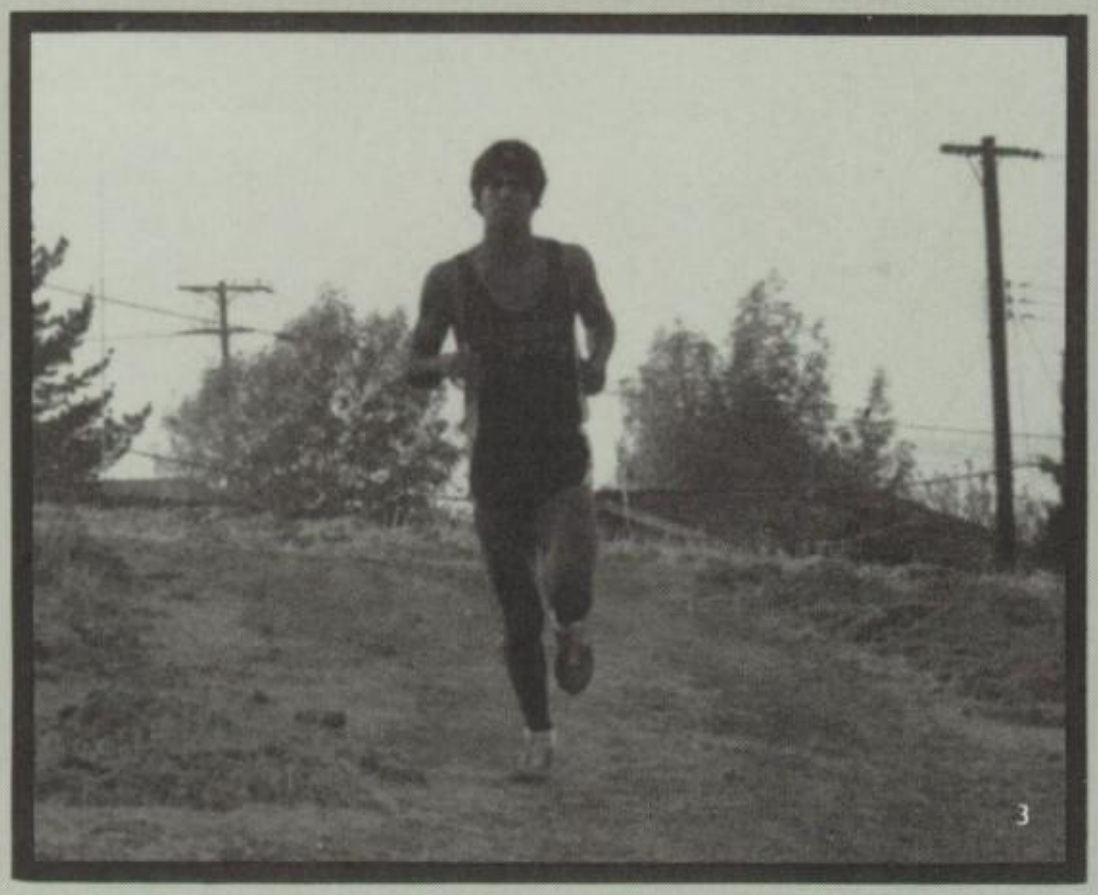
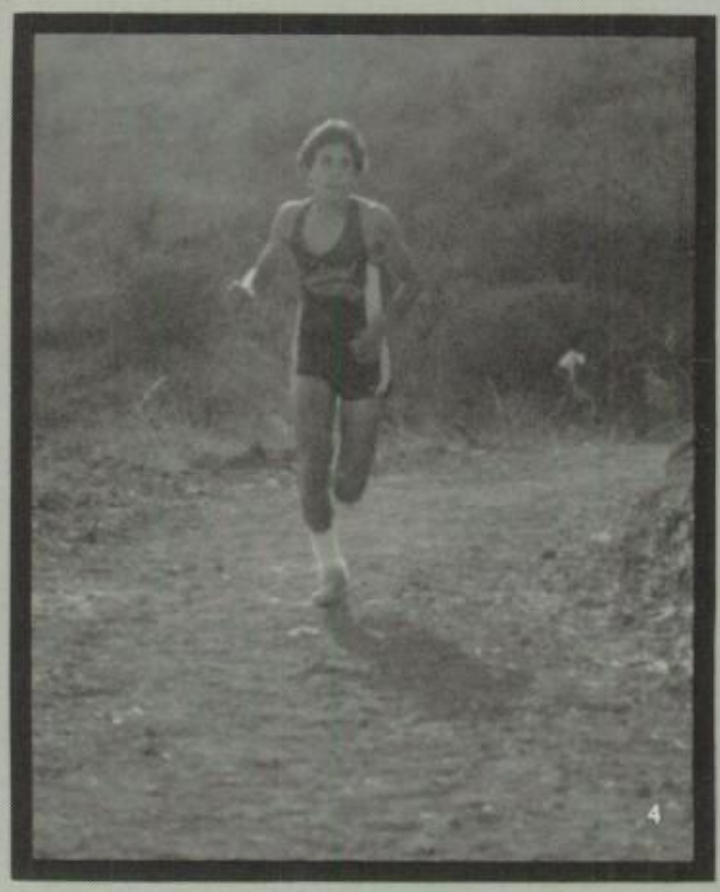
CROSS COUNTRY





Cross Country had an exciting year. All three boys' teams finished second in league, while the girls were close behind in third. Coach Brown was especially pleased with the boys frosh-soph team. "We were the best team in our league; we ended Walnut's seven year winning with a score of 33-22. The varsity team also proved their strength by winning the San Gabriel Valley Invitational and beating all seventeen schools!" steve Perez was this year's varsity standout. He finished tenth place in C.I.F. 3A and was placed on 1st team all league and first team all valley.

The girls team has really grown this year. They finished fourth in the San Gabriel Valley meet. "The best race we had this year was league finals where we set a new girls team time record by almost two minutes. Erin Eicher, the outstanding runner, finished in 7th, qualifying her for first team all league." This is the second straight year the girls team has gone to C.I.F.

BASKETBALL

Coach Johnny Stevenson began his first year as Varsity Head Coach this year. Curt Elwood took over his old position as J.V. coach, while Don Livingston coached frosh team and Flavio Garcia coached sophomore team. Tom Mortimer, Joe Antonelli and Ron Mass were the only three returning players from last year. Jeff Olson and Larry Dunn were picked to round out the starting five. Because of the team's inexperience, they had a preseason record of 4 wins and 9 losses. Once league rolled about, the Raiders for the most part were a much improved team. The teams that gave them the most problems were Los Altos, and West Covina. Both of them finished in front of the Raiders and have always proven difficult for Rowland. The Varsity team ended league with a record of 3 wins and 7 losses. Other members of the team that filled in on the court were Alex Alberto, Eddie Dominguez, Todd Gudger, Steve Walker and Rick Kovac.

GIRLS BASKETBALL

The girls Varsity Basketball team had a new head coach this year. The position was filled by Diane Zigars who had previously been J.V. coach. Her old position of J.V. coach was filled by Paul Ionata. This was a building year for the varsity team. They began their season without any returning starters from last year and only two seniors to add experience to the young team. Even with an unexperienced team, the girls finished well with a record of 5 wins and 4 losses. The most outstanding player were Sue Schroeder, Jolene King, and Debbie Hays. Samantha Brooks was voted most improved. Congratulations to the Varsity Team for making it to C.I.F. and also to the Frosh/Soph team on becoming the undefeated Sierra League Champions under the leadership of Coach Ford.

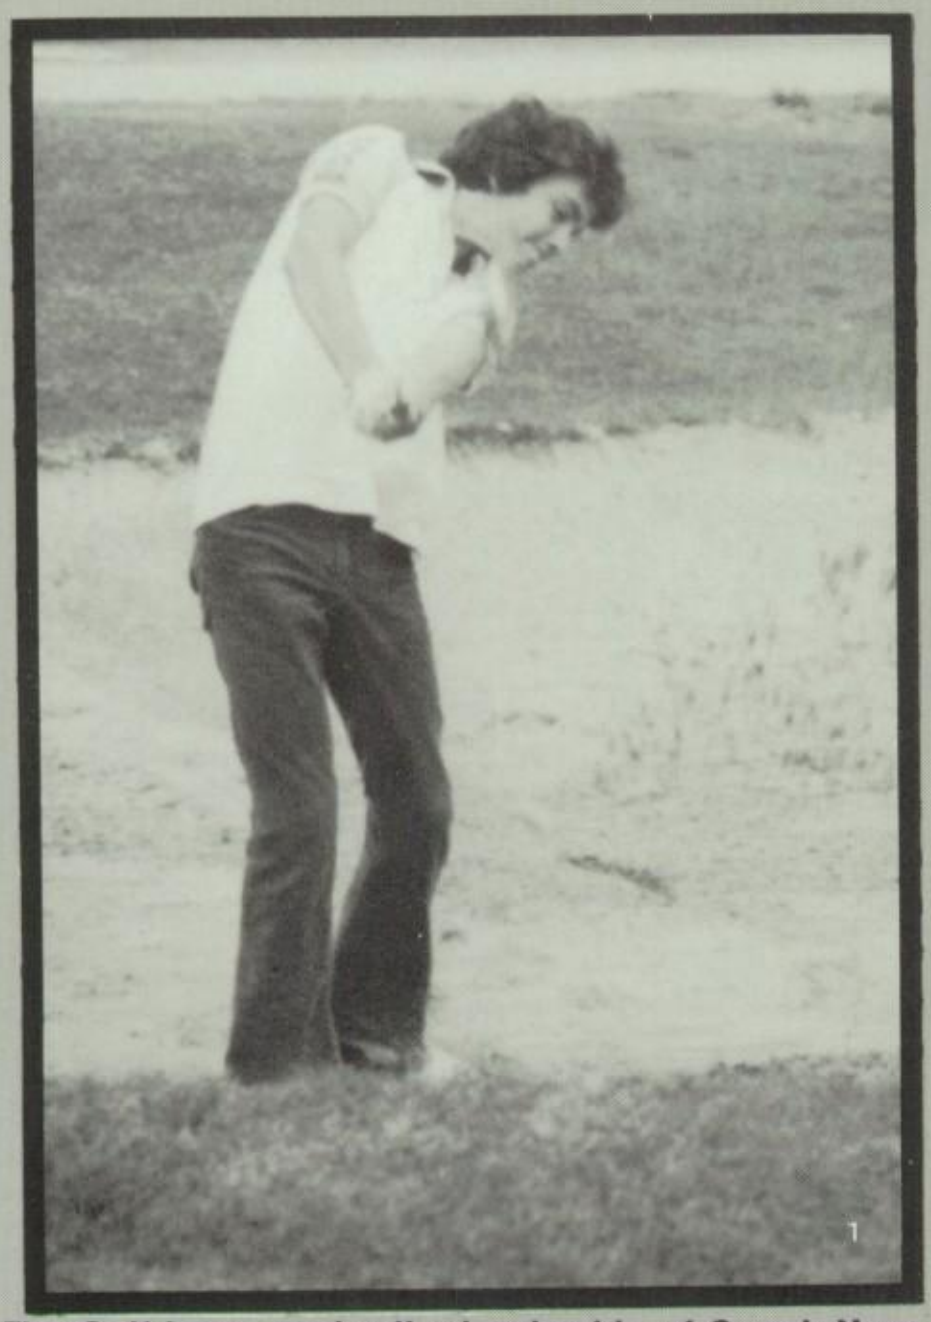
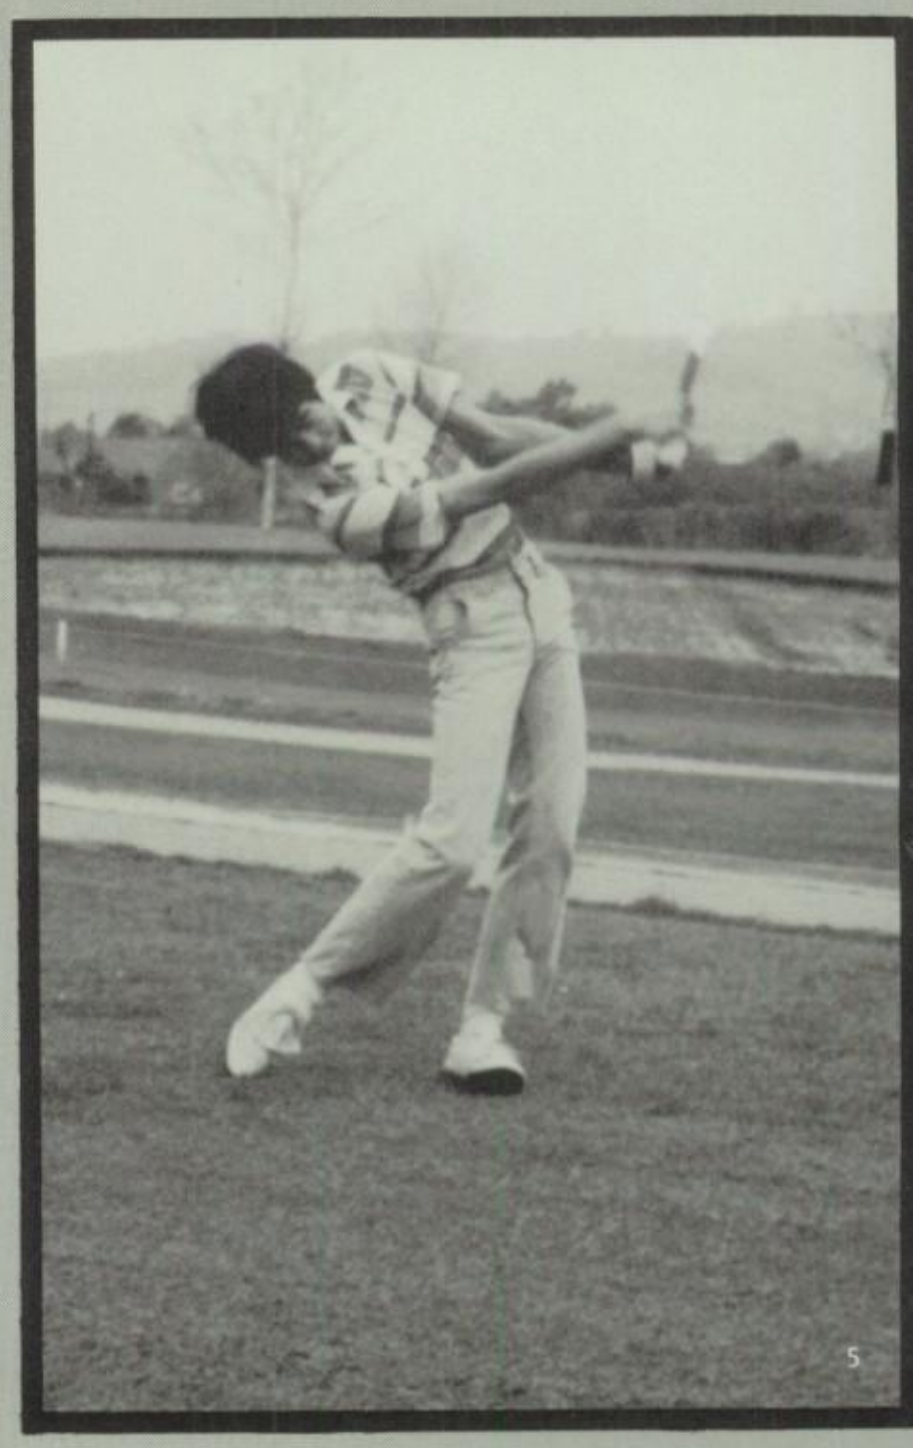
GOLF





The Golf team, under the leadership of Coach Norm Revis, has turned in an impressive record this year. The team, lead by returning lettermen, recorded one of their lowest scores ever. The score was 187, and the opposing team was Don Lugo High School. Their main goal this year was to make C.I.F. finals. In previous years they have missed C.I.F. by only three or less strokes. This year the team feels they will make it. Outstanding performances have been turned in by Aaron Meeks, Eric Meeks, Rob Fernquist, and Troy Leaming.

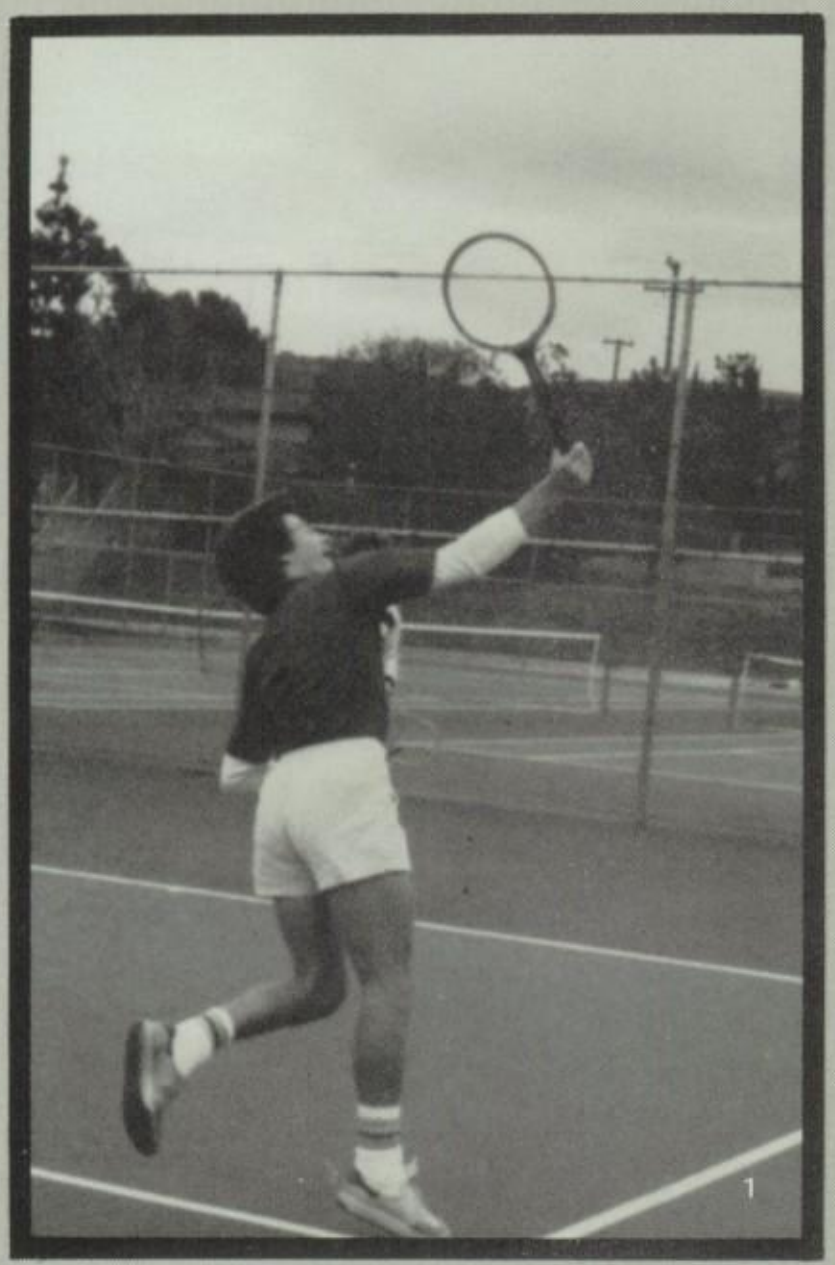
BOYS TENNIS



The tennis team attributed their great success this year to the high percentage of returning varsity players from last year. Among these were the outstanding doubles team of Jose Sambas and Steve Taw, and singles standouts Adam Painter, Danny Carroll and Dave Vest. Coach Livingston believes his team was solid in all aspects of the game, and with their added strength will prove to be strong competitors for the next year's challengers.

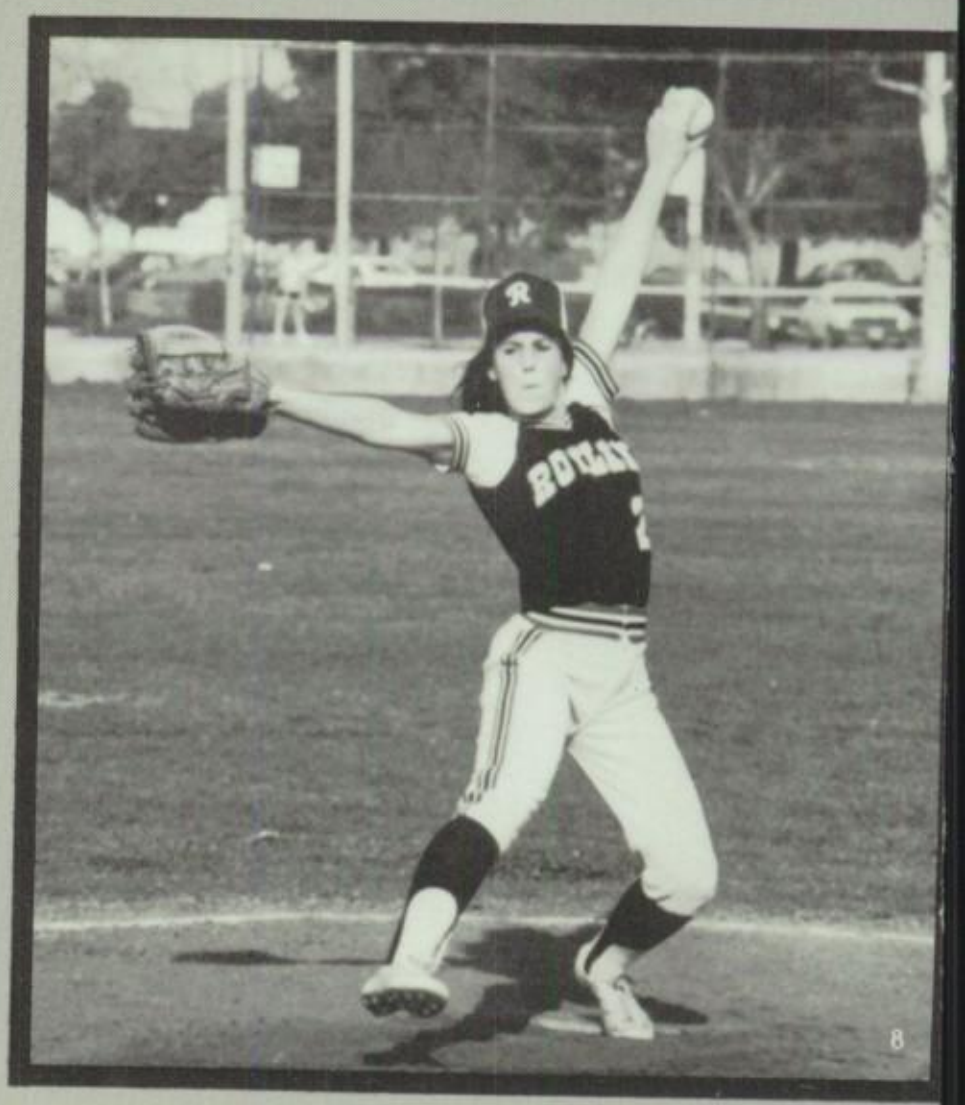
SOFTBALL



Charte Ambrose' outstanding pitching proved to be the key ingredient for softball's successful season. Jaime Carrol, a new-comer to the team, helped share pitching duties and proved to be a standout on first base. Other players who contributed to a fine season were Debbie Guner, Erlinda Delgado and Sandy Klapp. This year was Coach Zigars first year as Varsity coach. It also will be a memorable year for her as she experienced her first ejection from a game while defending one of her players. Coach Zigars enjoyed coaching the varsity team and helped to spur her girls on to many wins.

SWIMMING

4

5

The swimming teams this year were made up of mostly underclassmen; only a few juniors and seniors came out for the team. The teams' enthusiasm, however, was evident from the start, and because of it, they shattered the school's record for the Medley Relay, with a time of 1:51.8, and the Freestyle Relay, with a time of 1:39.4. The record-breaking performances were turned in by Gary Grey, Rich Brimer, Steve Tenney, and Jose Salviati. The outstanding girl swimmers were Jennifer Owens, Nicole Delacroix, and Tammy Post.

Rowland's badminton teams went through a complete transition this year. Coach Craig Snyder took over as varsity head coach, and alumni Catherine Barta assumed his old position as J.V. coach. One other major change took place: boys were added to the varsity and J.V. squads. Since this is the first year boys have been able to compete, the teams were comprised of basically new players. Although the teams were young and inexperienced, they played aggressively and were eager to learn. The outstanding singles players were Vu Le, Anthony Benevides, Debbie Tradival and Karen Kennedy. The outstanding doubles team was Marcia DuClusan and Mindy Struz. Since Coach Snyder is an avid badminton player himself, he enjoys teaching the game to "would be" enthusiasts.

BOYS TRACK

2

The 1981 boys track team proved to be the best in the school's history! In just two meets the boys and girls track teams won 126 medals compared to their former record of 92. Steve Andreas also had a good season tying the varsity Long Jump record with a leap of 20'2". Out of the 65 boys on the team, only 8 were returning lettermen. Some of the outstanding players were Steve Perez and Ray Cruz, distance runners; Napolean Edmundson, Sean Armstrong, Steve Woods and John Hidalgo, sprinters; and Frank Tromp, Scott Anderson, Larry Honeycutt and Steve Andreas, field events.

GIRLS TRACK

The Girls Track Team opened their season forty girls strong. Most of the athletes were returning lettergirls from last year. This helped give the team the added strength needed to compete in the awesome Sierra League. Some of the girl's accomplishments were breaking the records in all the field events! Denise Burton broke the High Jump record with a leap of 4'8"; Erin Eicher holds the new Long Jump record of 16'2 ½"; the discus record was broken by Joline King with a toss of 93'3"; and Susan Geariety broke the Shot Put record with a throw of 33'4". Outstanding athletes were Denise Burton and Erin Eicher, both competing in four events; Samantha Brooks, strong in field events; and Susan Scotto, an excellent freshman sprinter.

GYMNASTICS

The Rowland Gymnastic team continued their winning streak this year. They have been league champs for the last nine years, and this year was no exception. Outstanding performances were handed in by several team members. Senior, captain Dave Barta lead the league in the parallel bars and also was important in the areas of vaulting, rings, and the horizontal bar. Greg Baltierra, a league champion, and Shari Salmans gave outstanding performances in floor exercises. Tom Haynes, highly ranked in C.I.F., also performed well on the horizontal bar. Senior Paul Byers showed strength on the Pommel Horse, while Chris Esqueda, with only two years of experience, was a top ring man. The team's All-Around Man was Lowell Stambaugh. Coach Dave Martin has done an excellent job in developing individual strengths and a winning team.

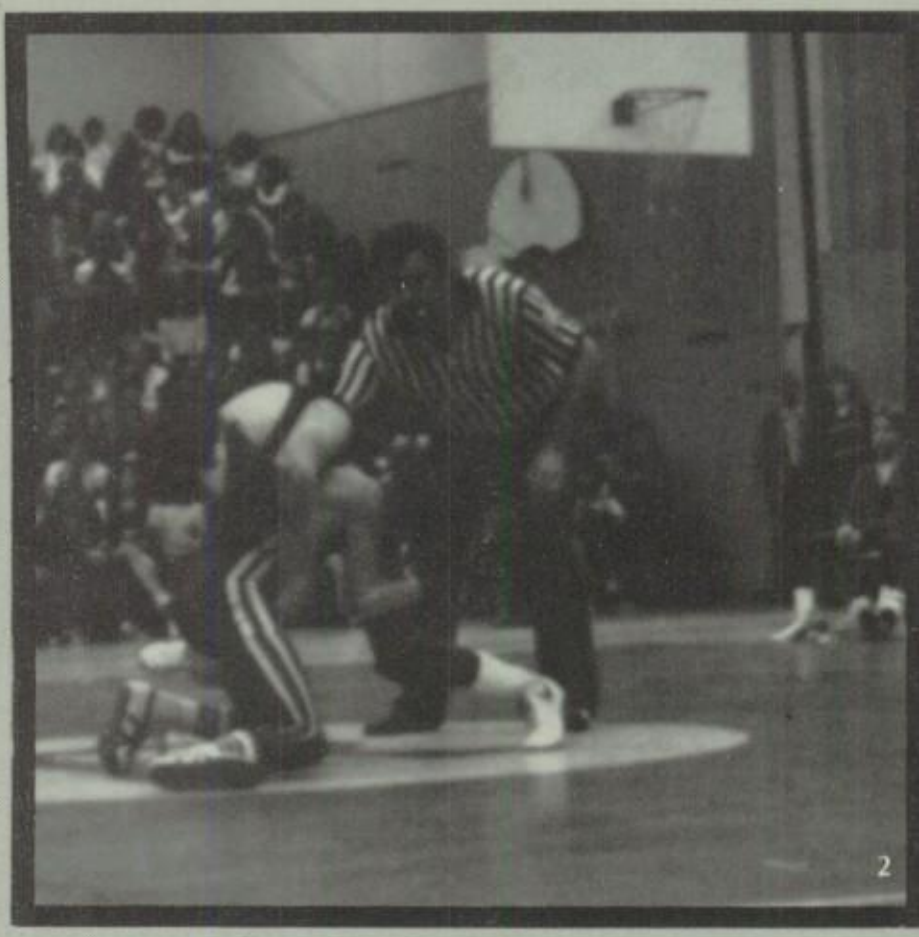
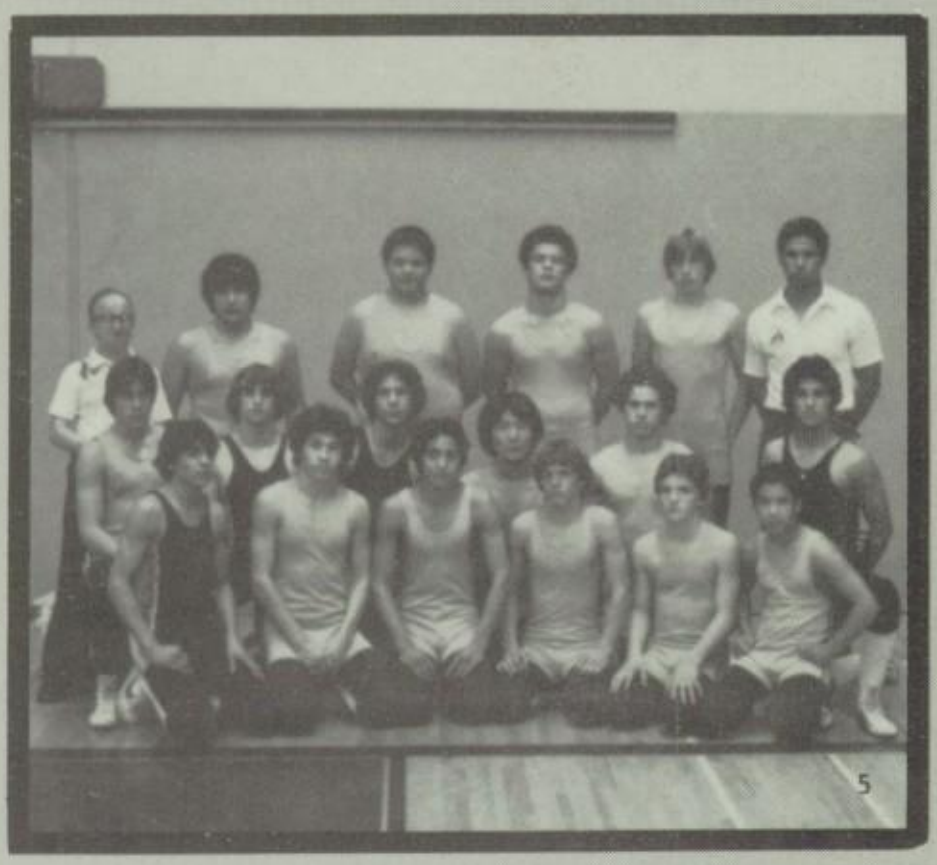
WRESTLING





The Varsity Wrestling team is Sierra League Champions! This is the first time in Rowland's history that the Varsity team has ever won the championship. They had an overall record of 10 wins and 1 loss. Their only loss came at the hands of Wilson. The Varsity team also had an outstanding tournament record. They placed first in the Covina and North Riverside Tournaments, second in our own Rowland Tournament and third in the Sonora Tournament. The Frosh/Soph team also went undefeated. They had an outstanding record of 7 wins and 0 losses and won first place in the Covina and Los Altos tournaments. The wrestling program has been built on team pride, unity, discipline and the desire to work towards a common goal. Varsity Coach Harris and all the others involved in the program have proven this philosophy to be successful.

SOCCER

This year's soccer team was greatly improved over last year's. The returning players showed more character and had a greater ability to work as a team. Their outstanding games were both pre-season games and were played against La Puente and Gladstone; both were 2 to 1 victories. Rick Riley was voted Most Valuable Player by the team, and Cabot Benavidez was voted the Most Improved. The team unity and enthusiasm is paying off; the Rowland Soccer team is now on the road to success.

The Mathematics Department is in the second year of implementing course revision. Preparing students to pass the Rowland Competency Test is one of the revisions that has been undertaken. Providing for every kind of mathematics requirement is the overall goal of the department. The college prep classes satisfy the minimum for college entrance, through the Advanced Placement Calculus course; while the basic skills classes focus on everyday consumer skills needed upon graduation.

The English Department has made many course revisions and has made major purchases of new books to match those revisions. They have also concentrated on improving the writing skills of the entire student body by requiring almost 50% of the assignments to concentrate on writing skills. The balance of the class time focus' on vocabulary and a study of various literature. The second semester offers a course in just composition. The English Department is pleased with the continual improvement of test scores for Rowland Students.

Industrial Education students get the opportunity to learn first hand how the world of work operates. Automotive, Woodworking, Electronics, Graphic Arts, and Drafting are the areas that a student can obtain first hand experience. Many students enroll in these courses to further their hobbies, while others use their experience to obtain a job. Girls still tend to shy away from these courses, consequently, only a very small percentage of the students in class are girls. Because of changing job policies, the department hopes to see a trend towards more girls taking industrial courses.

HOME ECONOMICS

The Home Economics department is offering seven courses this year in the areas of human relations, foods and clothing. Some courses are vocational such as food service while others focus on personal development and working with others. One example is Total Teen. This class has proven to be one of the more popular in the department. Marriage and Family is another popular class. This year, the class has revived the Wedding that was eliminated last year due to lack of interest.

The course revision process has brought about many changes in the Reading Department this year. It doubled in size due to the addition of the Basic and Transitional English classes. These classes serve to compliment the Reading classes by emphasizing basic composition skills. The Reading classes continue to work on vocabulary and comprehension skills. Changes in the department were necessary due to the more stringent requirements that have gone into effect for a high school diploma.

BUSINESS

The Business Department has been constantly growing each year as more and more students begin to realize the need for saleable skills when entering the job market. Course revisions have helped to update many programs so as to continuously give students the type of skills for which the employers are looking.

This year, Mrs. Levin, one of the faculty, who has been with the department since the opening of the school 17 years ago, will retire. The entire department would like to give a special thanks to her for her outstanding service in past years and also wants to wish her happiness in retirement. Saga joins in saying goodbye and good wishes.

The Physical Education Department is currently revising their curriculum and exploring new programs. The department is antisipating some positive changes in departmental objectives and reaching towards a more sophisticated approach to physical fitness. The coed activities on all levels are varied and touch every area of a students needs. Some sports that are now coed are volleyball, basketball, and soccer. The departments input from this year, which will be used to plan next year's program, will hopefully improve Physical Education greatly at Rowland.

CSF is a club for students who maintain a high academic average in high school. The club also supports various student activities by helping in such activities as Western Days and the annual ASB Convention. Each year the club receives a Privilege Day as a reward for their excellent grades. This year the club went to Disneyland for that day. The club also rewards students they feel have put forth a special effort both in class and for the club; these members are given scholarships to help further their education.

Science Field Club is one of the more popular clubs on campus, with a membership made up of students who are currently enrolled in advanced science classes. Members of SFC all share a common interest in science, and the club provides various outside activities to further these interests.

Every year two major events are scheduled for the students: a weekend camping trip to Joshua Tree and a trip to Catalina Islands. This year they also went on field trips to the San Diego Zoo, the Ruben H. Fleet Center, and to the lazarium show at Griffith Park.

CHOIR

The Choral Department under the direction of John Catanzaro continues to be a success both on and off of campus. Not only did the choirs continue to give their now popular concerts, but at Christmas time they sang Christmas messages as part of a fund raising project. The carol singing by the choir members provided the only Christmas spirit in an otherwise Bah-Humbug atmosphere on campus.

THE CHOIRS

At Christmas . . .

On December 16, 1980, the Rowland Choral Department presented their Christmas program at the Redeemer Lutheran Church of Walnut. Joining the choirs were the Bell Choir from the church and a brass ensemble and percussion group from the advance band. The music for the evening included traditional carols and contemporary Christmas music. After the first selections that were performed by individual choirs, the choirs combined and were joined by the audience for a sing-a-long. The finale for the evening was an arrangement of "Do Your Hear What I Hear." A reception was held after the program and refreshments were served.

1. The accompianist for the evening was Mrs. Gwen Beck. **2. The combined choirs join their voices to create beautiful music at Christmas time. 3. The brass ensemble included** Alfred Lafay, **a former student,** Louis Turriaga, **and** Anthony Joyce. **4. The A Cappella Choir lose themselves in their music. 5.** Mr. Catanzaro **looks very stern as he directs the choirs. 6. The Chauntiers raise their voices in song. 7. Chamber Singers have fun while singing their part of the program.**

Remember to go for only FIRST PLACE at camp, Miss D.T., whatever, nothing less. We've gotta go to the Beach sometime. I hope you're on Homecoming next year (you'll be the mini queen) Take care and

ROWLAND MARCHING RAIDERS

Smile 88

Dear Tracy,

Im so very glad that we got to be on our magnificant squad this year together! I remember last year when you wrote in my book saying that we would have so many fun things to look foward to & boy were you right! I loved performing especially at camp!! You've been a super asset to the squad especialy now when we are all just standing there & nobody has hardly any ideas & you just pop up with one! I really wish we both could go to Mater sometimes cuz some people hardly are ever spirted & it brings us realy down but we have a chance here at Rowland to try & show em. All our stuff. Remember when we were talking about pep & how you'd like to be Pres etc. Well it sure came true! Im looking foward to working w/ you by your side so we can get your vice! We get to get our schools spirit sky high & if we work together & w/ both of our determination I know we can do it! You've taught me a lot about song & you've been a super friend to me. Your a very pretty girl & I hope your careful Miss Pres!! May the Best come to you & Craig always. Im looking foward also to camp & those dreadfull hot practices! But it's all the story of being a songleader!! I guess. Thanks again for being a super friend! God bless!

Love in Christ, Yvette Aguilera

BANDETTES

The Bandettes are an integral part of the Rowland Music and Performing Arts Department. As auxilliary units to the Marching Band, they perform at parades, band reviews and football games. This year the girls won several awards in competition. The Tall Flags won a 1st at the Long Beach competition and a 1st at Buena Park competition. The Dancers placed 2nd at the Long Beach competition. Highlights of the year were marching in the Christmas Lane Parade and a taping of the Stan Freeberg television special, "The $600 Billion Dollar Budget Deficit." Patt Carnervale is the advisor for the girls.

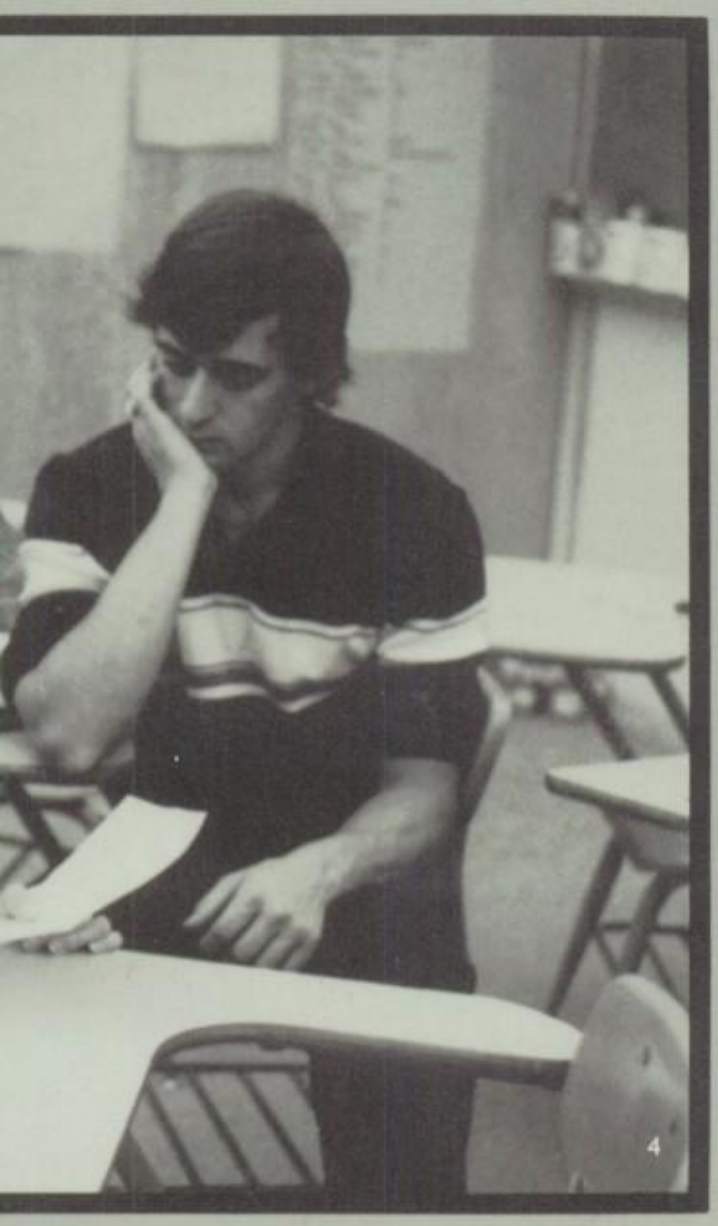
An entirely new process for the school newspaper began this year. The paper became a monthly, made use of a new format, and was printed on newsprint. These were not the only changes though. The paper was expanded. It contained more news items, more regular features, and made use of pictures in the articles. The editors, who were Susan Steward and Stacia Howiler, did an outstanding job of editing the paper. Their hard work and leadership were reflected in each issue of the Raider Express. The coordinator of all these changes was Mrs. Cathy Hynes who took over as advisor of the newspaper this year. She stated that it was a big job; however, the end results were well worth the hours of effort.



SKI

The weather almost nixed the Ski Club this year. However, towards the end of February, the weather finally cooperated, and the mountains were colored a glistening white. The club had forty members this year that ranged from novice skiers to more expert on the slopes. The most important event of the year was the trip to Mammoth. The group stayed in a condo and had two days of skiing Mammoth. The club joined the Southern Calif. High School Ski Association. This enables the club members to take advantage of a variety of planned ski outings. The club advisor is Mr. Baumonk, and he and his wife always make the ski trips delightful occassions.

INTERNATIONAL

International Club's main goal is to promote cultural awareness throughout the entire school. Its members include all foreign exchange students and other students from countries around the world, including the U.S.A. All activities for the club are basically in preparation for the celebrated International Day where the foreign exchange students from all over the valley visit Rowland's classrooms in order to filter some of the knowledge from other countries to the student body. A soccer game for everyone's enjoyment and a picnic for the club members brought the club's year to a close.

They went on field trips to Alpine Village, World Village, Knotts Berry Farm, and Magic Mountain. The most unique and enjoyable experience, however, was the Christmas party, where they ate German food, sang German Christmas carols, and experienced an overall unique German Christmas.

GIRLS LEAGUE

The Girls League continued to be an active part of school this year. The members served at Back to School night and Open House, sponsored the Winter Formal, and again provided the Honor Guard for the graduation exercises. The only activity they planned that wasn't held was the overnight slumber party in the gym. Lack of interest forced the cancellation of that activity. Money to support the dance and other activities is provided by car washes held throughout the year and ticket sales to the dance. The club's president, Candy Bennett, stated that this year has been very successful and plans for next year's dance and other activities are already in progress.

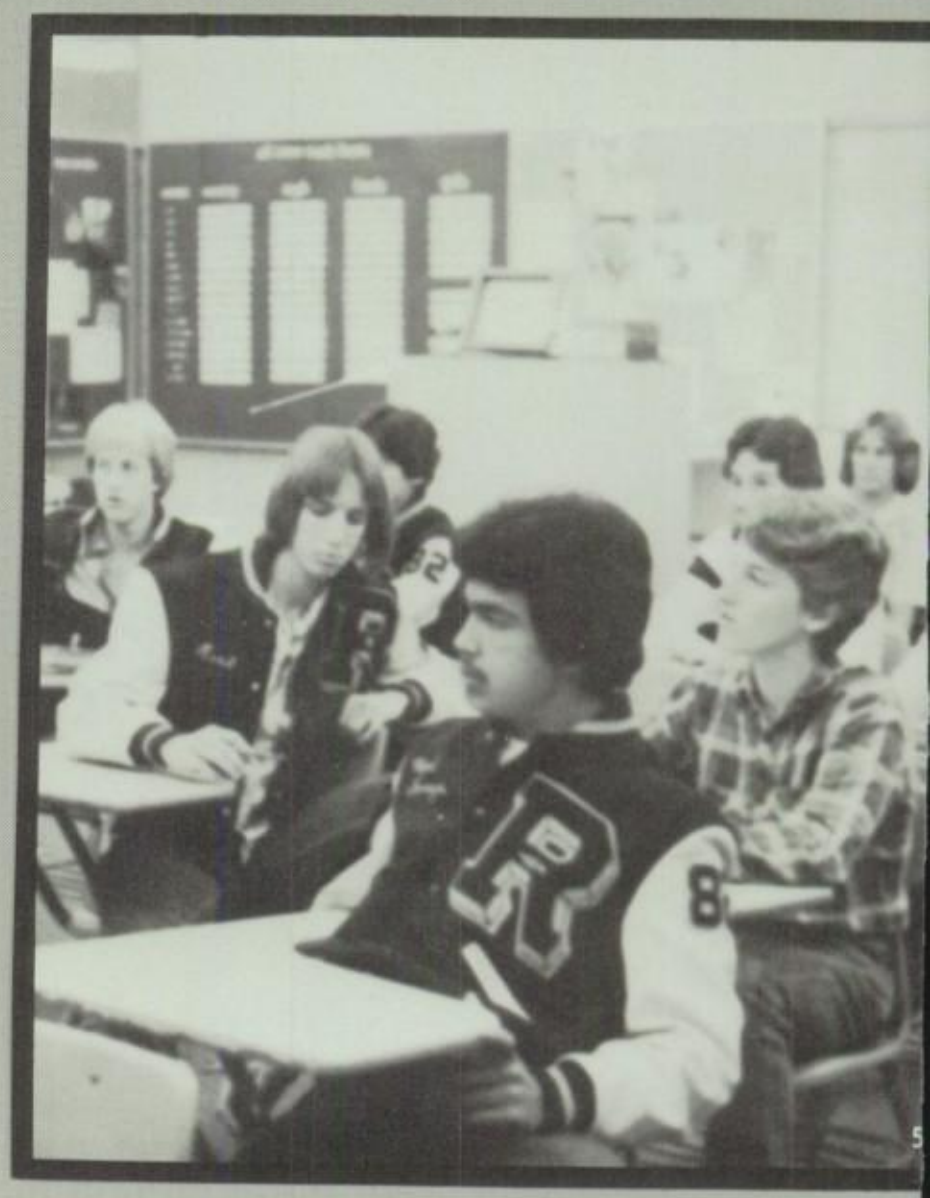
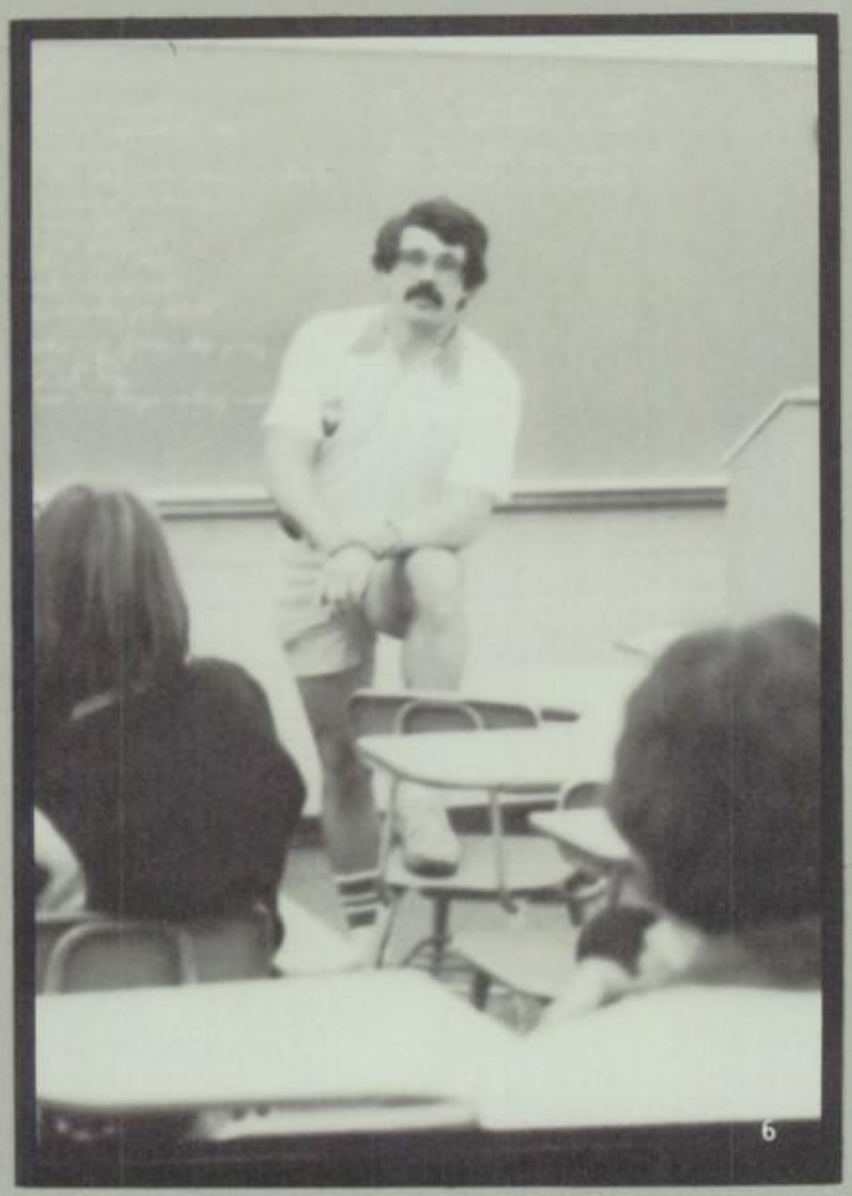
LETTERMEN



LETTERGIRLS



The Lettermen and the Lettergirls were busy clubs on campus this year. After some minor difficulty with an unauthorized initiation, the Lettermen settled down to their usual routine. The members of both organizations worked hard to improve the image of the athlete on campus, while continuing to be of service to the school in a variety of areas. Their Keystone Cop hats became a symbol for the help they gave during any school gathering.

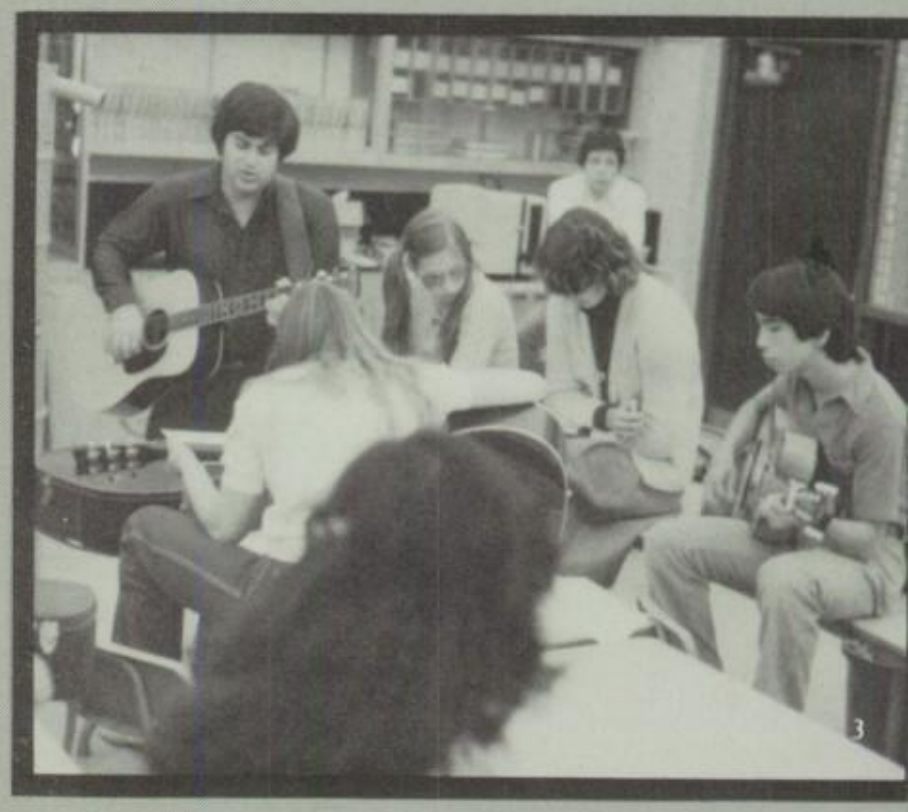
Row 3: Leslie Stephenson, Scott Morewood, Robert Betts, Mr. Williams. 3.** Mr. Williams **leads the troops, while** Mr. Philp **watches in amazement.**



The Guitar Club, while not one of the largest clubs on campus, is one of the liveliest. The students get together once a week to work on a variety of songs. Their music can be heard by all who pass by the room. Their meetings are not a place to learn how to play, though; the students must already know how. The club meets just to play and have fun singing. Several members don't play the guitar at all; they come just to sing. Their music consists mainly of folk songs. The talent show on campus provided the club with an opportunity to show their skills. They entered some acts from the club in the show. Lynn Kumagai stated: "If you want to be in a club that is enjoyable, the Guitar Club is the one for you." The advisor for the club is Tom Williams.

The 16th annual Homecoming took place this year on October 18, 1980 and had the theme Golden Dreams. The celebration started with the Homecoming assembly on Thursday, at which time the court was introduced to the students and faculty. The court included Erica Bucanac, Janna Bywater, Cyndi Hillenbrand, Stacy Howiler, Dana Perry, and Roberta Rivera. Voting for queen took place at lunch. The principal, Thomas Aney, presented the crown to Janna Bywater during halftime at the game and also announced Miss Dana Perry was the first princess.

This year the floats of yesteryear were replaced with murals, and instead of only class competition, clubs and organizations could enter the contest also. Judging of the murals, which took place at halftime, was based on how well the theme was carried out in the mural. The mural entered by the Class of '81 won first prize, while the Girls League took second place. After the game, Queen Janna Bywater and her court were escorted to the Homecoming Dance where the music was provided by Skyrock. Raiders won, making this year the second Homecoming game won in the 16 year history of Homecoming games.

A special thanks goes to all—coaches, the team, ASB, the band, and the Pepsters—for a successful and fun-filled Homecoming.

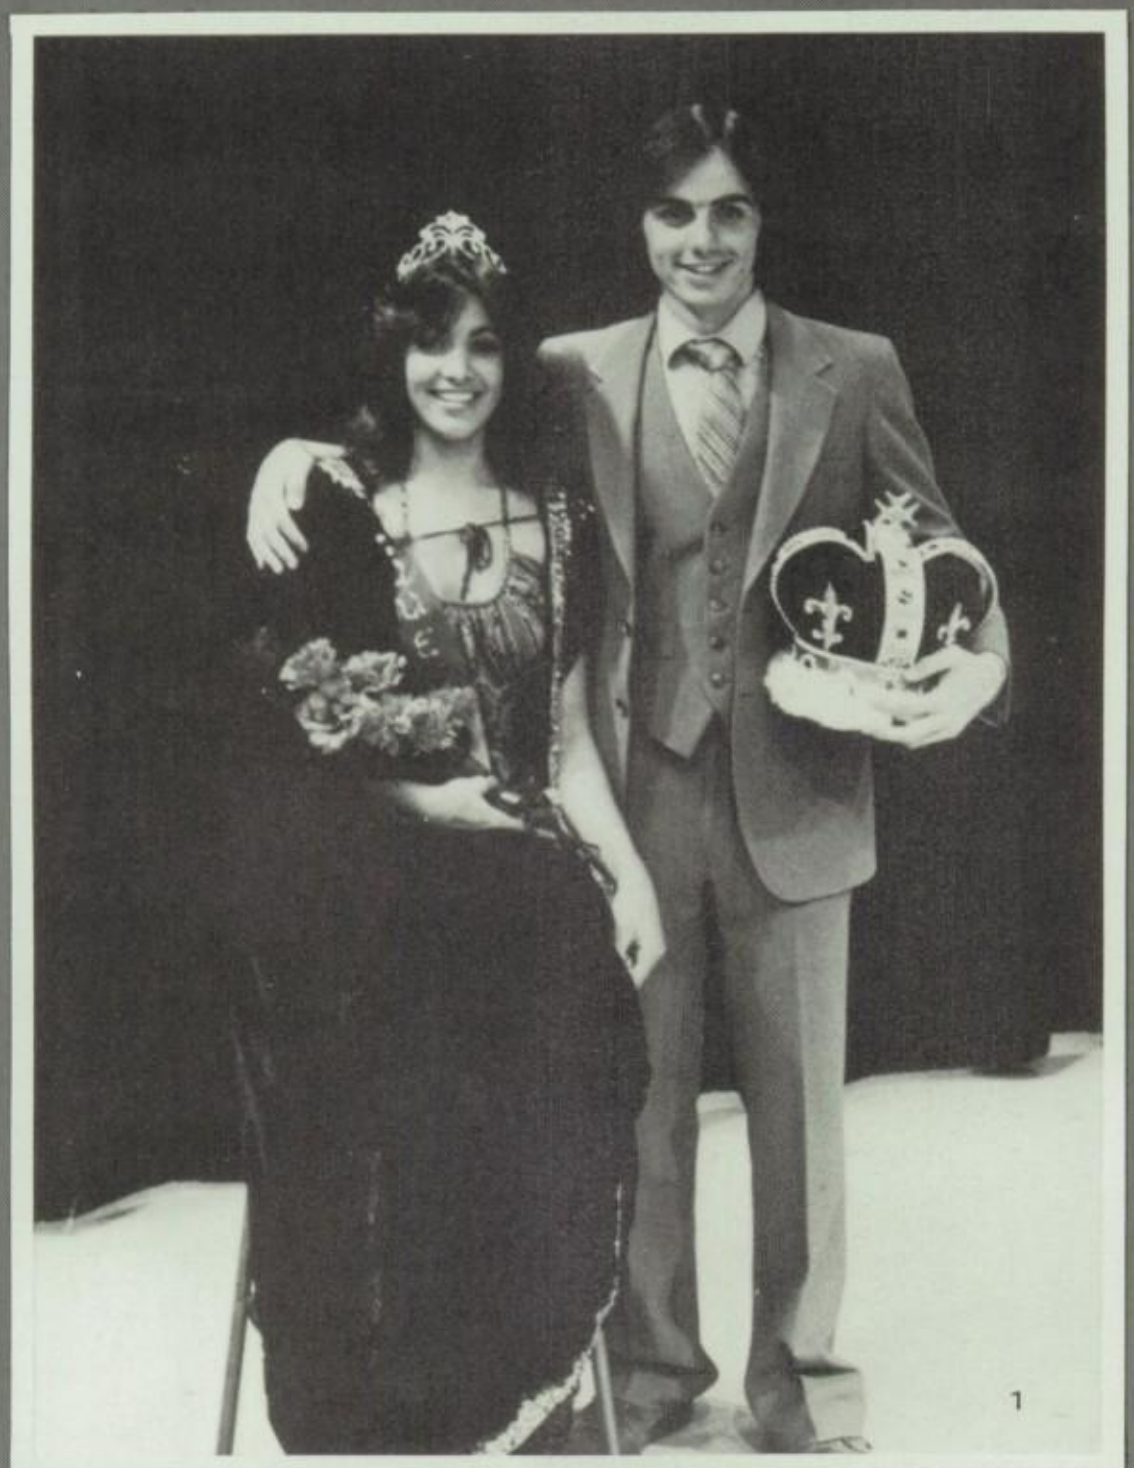
Tracy Gilmour, Tanya Brown, Andy Casana, **and** Armondo Rosas **except the Spirit Trophy for the Class of '82. 2.** Tom Mortimer **concentrates on his catch. 3.** Dina Estorga **participates in the Rootbeer Chug-a-lug. 4.** Mike Paterson **and** Vince Chavez **provide a touch of the oriental look on Hat Day. 5.** Ron Mesias **throws a good pass. 6.** Lorri Herrin **and** Dave Verdouw **give** Lenore Cisneras **and** Todd Reagan **the ride of their lives during the Ice Blocking Contest. 7.** Andrea Rhodes **won an award on Western Day for her square dance costume.**

Spirit Week, which was held in October this year, is a time when competition among classes is keen. Each day throughout the week has a theme, and students are urged to dress up and participate in the activities. The themes this year were Hat Day, Punk Day, Urban Cowboy Day, and Dressy Dress-up Day. Prizes were given to the person who best represented the theme of that day.

Many other activities occurred during the week also. There was a Best Maid and Butler Relay, a Rootbeer Chug-a-lug, an Ice Blocking contest, and a Balloon Toss. The Juniors and Seniors were almost even in points by the end of the week, with the final tally of points being announced at Friday's lunch-time rally. The Juniors had won and were awarded the Spirit Trophy for 1980-'81.

WINTER KING & QUEEN



Winter King & Queen was held on January 23rd this year. The selection of the candidates was done by the Senior American Government classes. The candidates were introduced at a lunchtime assembly on the Wednesday before the dance, and the entire student body voted on Thursday. The dance was held in the gym, with the music being provided by Front Seat. During intermission Cyndi Hillenbrand, ASB President, announced the winners; and Connie Molla, Crown Chairman, crowned the winners. Winter King is Joe Antonelli and Winter Queen is Cynthia Flores. First Runners-up were Dave Barta and Kelly Ventura.

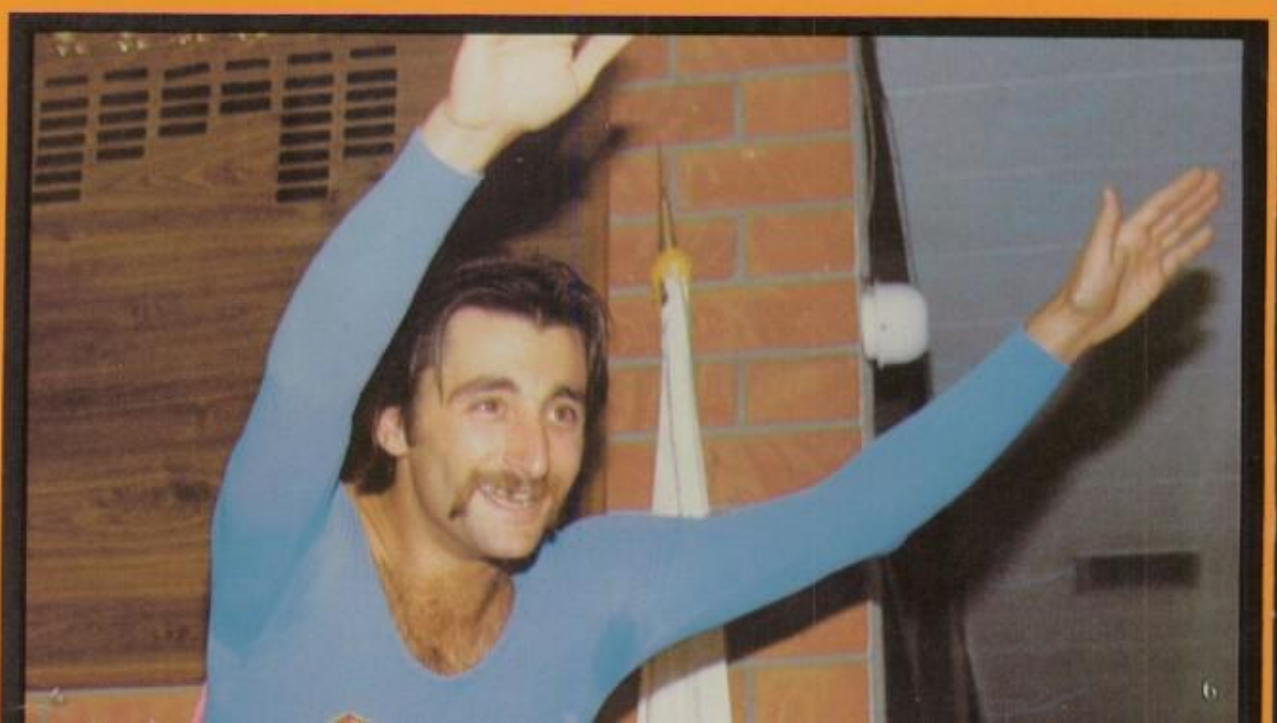
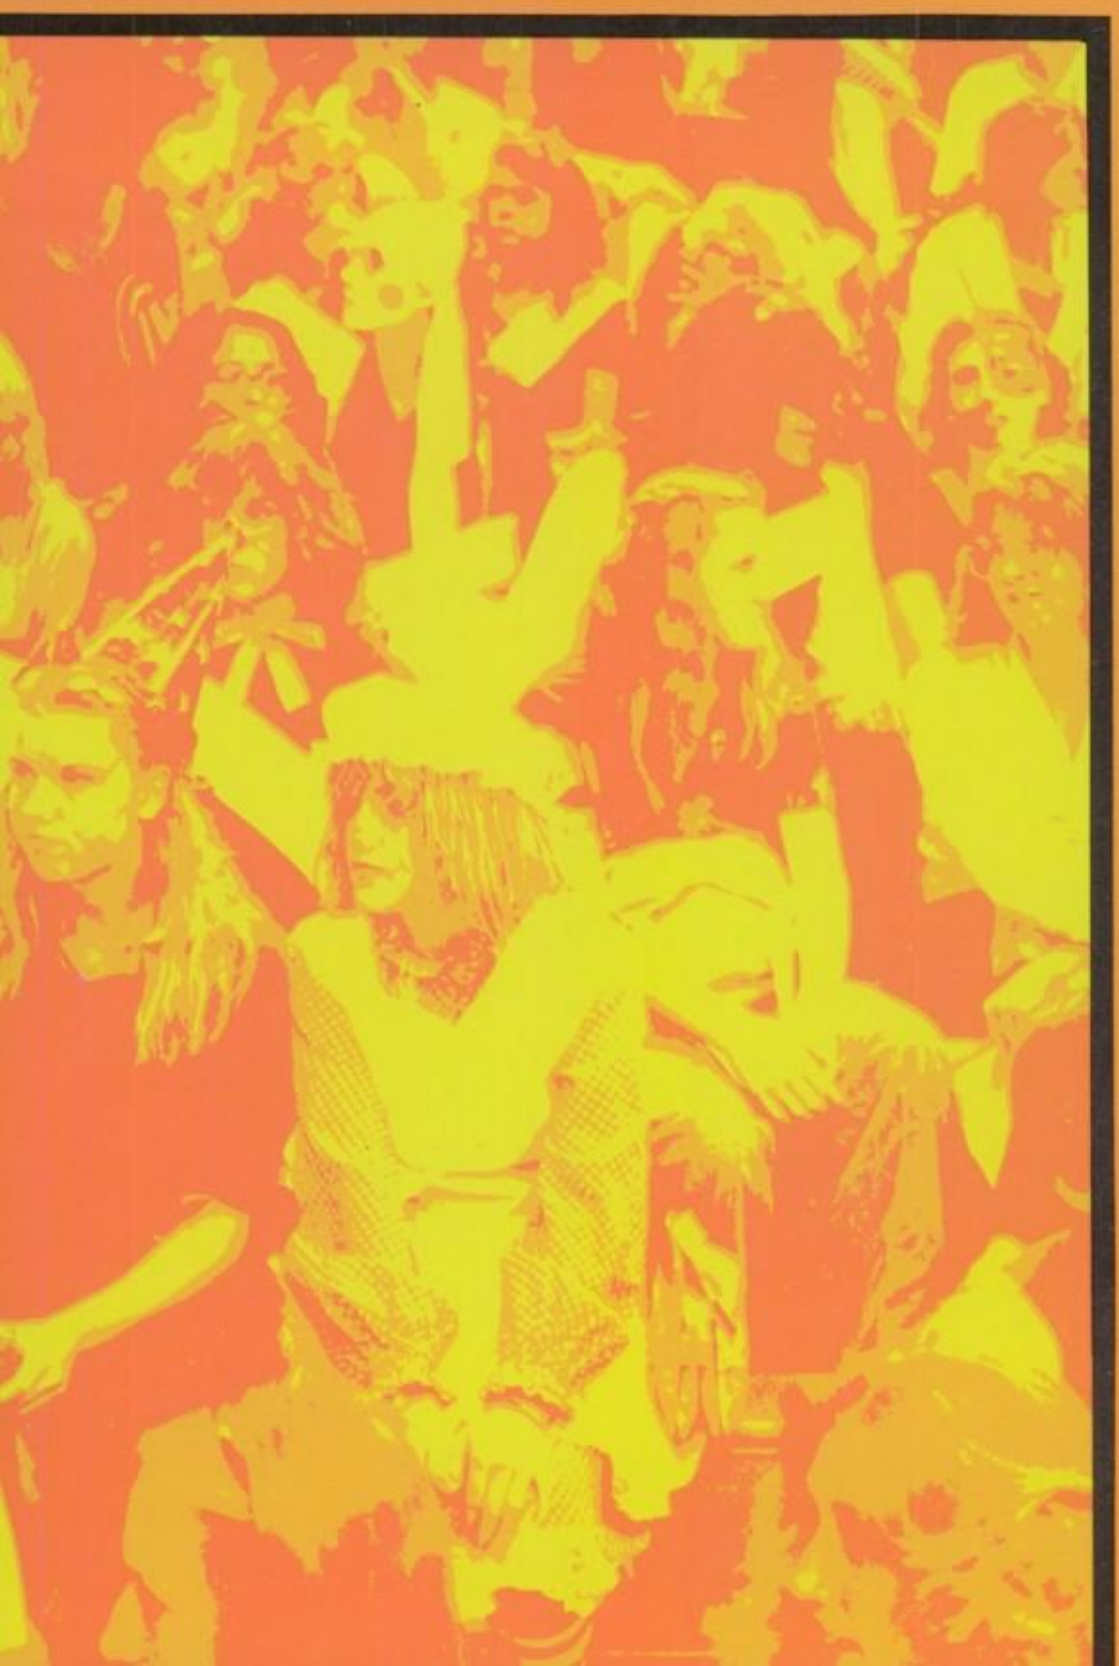
Various creatures can be spotted in the audience during the noontime assembly. 8.** Shiela Ramirez **pauses to pose while on her way to her ballet lessons.**



This year Halloween really caught on and became a fun day on campus. Many more students dressed up for the occasion than in any previous year. Punk Rockers, Draculas, and other strange creatures roamed the campus throughout the day. During lunch there was a contest in the gym to determine who had worn the best contest. Leza Volkov took 1st place with her rendition of a shower complete with hot and cold water, while Susan Scarbrough, who had snapped herself into a roll of film, developed into the 2nd place winner.



THE THEATRE

A variety of theatrical presentations were given this year on campus. The fall play, which was The Mouse That Roared, **proved to be a huge success. The play dealt with a small country, Grand Fenwik, that declared war on the United States. Confusion results when the United States is unable to control Grand Fenwik. Lead performers were: Jean Swift, Duchess Glorianna; Darryl Tidwell, Count Mountjoy; Tony Taylor, Tully Bascom, and Richard Allman, David Benton. Top performances were given by all the cast in this comedy.**

The Thespians, the drama honor society, sponsored two offerings for the students this year: The Mime Troup and Brown Bag Theatre. The students were able to take their lunches into the Little Theatre and enjoy accomplished and enjoyable performances by the actors. These performances were well attended throughout the year.

The ballroom was beautifully decorated in traditional Christmas red with touches of white and green, which complemented the beautifully colored dresses of the girls. The boys, all arrayed in their tuxedos, provided a touch of class to the evening. During intermission the Queen and her court were announced. F M O C

F.M.O.C. lost some of its luster this year. Although the nominees were as desirable as ever, the student body lost some of its enthusiasm for the event. The candidates — Albert Estrada, Berry Revis, Scott Anderson, Bobby Ramos, and Jeff Olson — were introduced to the student body during an assembly on Thursday, February 20th. They were escorted to the platform by presidents of various female organizations on campus while "Sky Water", a band made up of students from Rowland High, played background music. The dance was to be held in the gym on Friday night. However, by mid-morning of Friday, it was apparent that there was a lack of interest in the dance. A.S.B. made the decision to cancel the dance. Because the dance was cancelled, the winner of F.M.O.C. was announced during intermission in the basketball game. The winner of the coveted award was Scott Anderson; Albert Estrada was the runner-up.

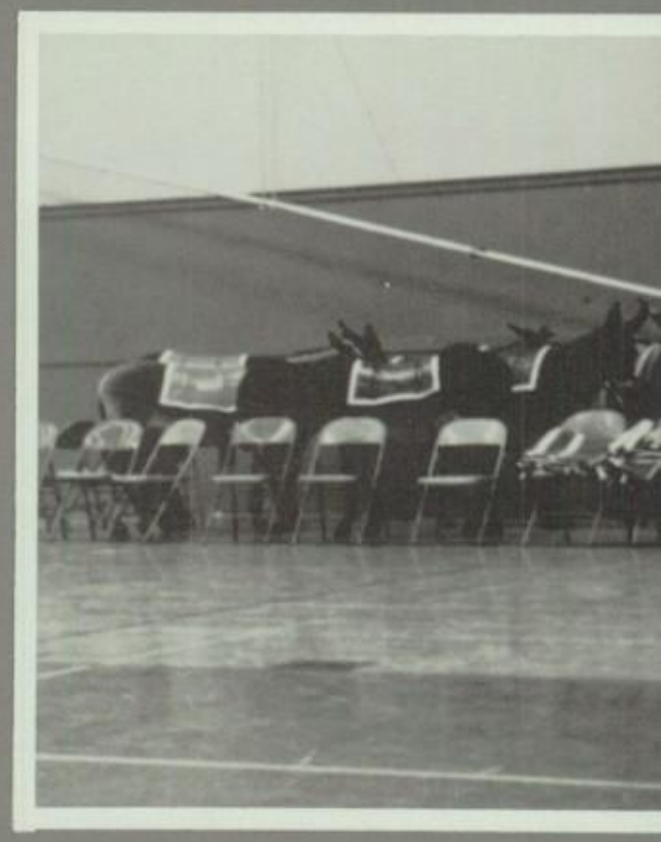
DONKEY BASKETBALL

1



5

Most competative sports pit one team against another, but this certainly isn't true of Donkey Basketball. The students at Rowland challenged the faculty to what was to be a serious game of basketball. When the teams assembled on the court, however, they found that the donkeys thought of themselves as a third team. So not only were the students and faculty in a contest against each other, but the donkeys were playing against them both.

As the game began the veteran teachers jumped off to an enthusiastic start, and by the end of the first half the teachers had somehow managed to acquire a 12 point lead. When the second half started, the student's experience enabled them to hold the old timers to only four more points and at one point they even jumped into the lead with a six point edge. As the game came to a close, though, the teachers managed to regain the lead and forge on to victory. Although the scoreboard read teachers, 54; students 50, it must be said that the donkeys had the last laugh.

1. Coach Harris enjoys watching Andy Casana fall off his "jackass." 2. The donkeys plan their strategy before the game. 3. Coach James thinks he can get the ball from Sue Scarbrough and Paul Russell, but the refs says, "'ou need your donkey first!" 4. Paul Russell and Co Coach James mount their donkeys for the start of the game. 5. Faculty Team: John Karns, Paul James, Le Wenta, Jim Brown, Jeanne Koerner, Ralph Harris, Ross Stewart, Stan Ford. 6. Student Team: Miguel Terazas, Erin Eicher, Sharon Victoria, Karen Kennedy, Sue McFarlen, Paul Russell, Matt Meeng, Andy Casana, Sharon Chaney, Jose Salviate, Sue Scarbrough.

Irma Angelo and Gabby Morales do a little dance step for their captive audience.

It has often been said that "Laughter is the best medicine" or "Smiles are contagious;" and for the seniors at Rowland, the grins were wide and the chuckles abounded.

The smiles were all special. We smiled because of an A on the test for which we had studied so hard, for our Homecoming victory, and for the memories of our last Prom.

We laughed slyly, flashed a flirtatious grin, and went absolutely hysterical with our friends, while smiling to make underclassmen wonder what we'd been up to.

We also put on a tireless happy face when we had to explain to our sixth period teacher why we were so late getting back from lunch.

But mostly, our smiles were there because this was our last year of entrapment, the stepping stone and threshold of a whole new wonderful life.

SENIOR PRIVILEGES

This year, Rowland High School's Senior Privileges were non-existent.

Off Campus-**Off Campus for seniors was more like off campus for everyone. No one seemed to inforce the "seniors only" policy.**

Senior Parking-**The privilege of senior parking was not enjoyed by all seniors due to the lack of spaces allocated to the students. Underclassmen took advantage of Senior parking. Some seniors even had to park off campus because their space was occupied.**

Senior Mall-**The Senior Mall has traditionally been for the seniors. This year there was never a time when an underclassmen could not be found in the Senior Mall, and no one really cared.**

Front Row Seats and Assemblies-**The front row seats at the assemblies that were reserved for seniors did not even get put to their original use. No one had a chance to sit in them because the few assemblies that were held were during lunch when most seniors aren't on campus.**

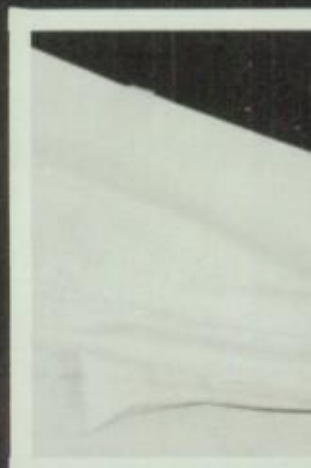
10 THOUSAND MEMORIES



Commencement time is drawing near, and a thousand thoughts are leaping and tumbling endlessly through our minds, questions like, "Whoa! What is happening to me?; How could time have gone by so quickly?"

It seems like only yesterday that we were barely able to walk or talk. Elementary school started a brand new fun experience. We made jillions of friends, some who are our best friends now. The sixth grade came and went in a flash, and suddenly, we found ourselves in the big . . . JUNIOR HIGH SCHOOL. We knew everything! Eighth grade was the year we "ruled the school". We really did know everything! . . . Or so we thought . . .

Then high school became a whole new way of life for us. We sailed in on our very first day as Freshmen. On the outside we were cool, but our insides were frantic. Juniors and Seniors seemed soooooo big; even the Sophomores were intimidating. What were we to do? The tables were turned the following year. As Sophomores we got to intimidate the Freshmen, and the Juniors didn't seem that big anymore. Was "being a Senior" such an impossible dream? During our Junior year we started feeling distant twinges of Senioritus. We felt pretty big with two grades underneath us and only one more year to go.

Now as Seniors, ten thousand memories have been colored in our brains to be taken out and examined from time to time. Even the trivial has become all important. For now we know we shall never walk these paths again, and the memories are all that remain.

Rick Riley demonstrates his own intricate dance step.

Senior Rec Night was a fun-filled free night for all the wild and crazy seniors who wanted to go. Administrators Mr. Revis and Mr. Cappuccilli, along with senior class advisor Mrs. Noelte, were on hand to cook hotdogs and keep activities in line.

There were so many activities, nobody knew where to turn. There were games of football in the fields, basketball on the courts, and volleyball in the sand, while frisbees flew everywhere. Many seniors found time to just kick back and chat with their old buddies and pals. Nighttime was the best of all; the seniors danced their legs off to the New Wave sounds of Destiny.

The biggest surprise of the evening came right in the middle of a slow, romantic song. The sprinklers, totally unannounced, came on and drenched all the couples dancing.

The festive spirit was not dampened, however, and everyone left in a happy mood, talking eagerly about the next Rec Night.

Eileen Katzaroff is excited about the nighttime activities.

Just for fun 79-80-81-82

Now that it is time to color in an ending for 1980-'81, what colors shall we use?

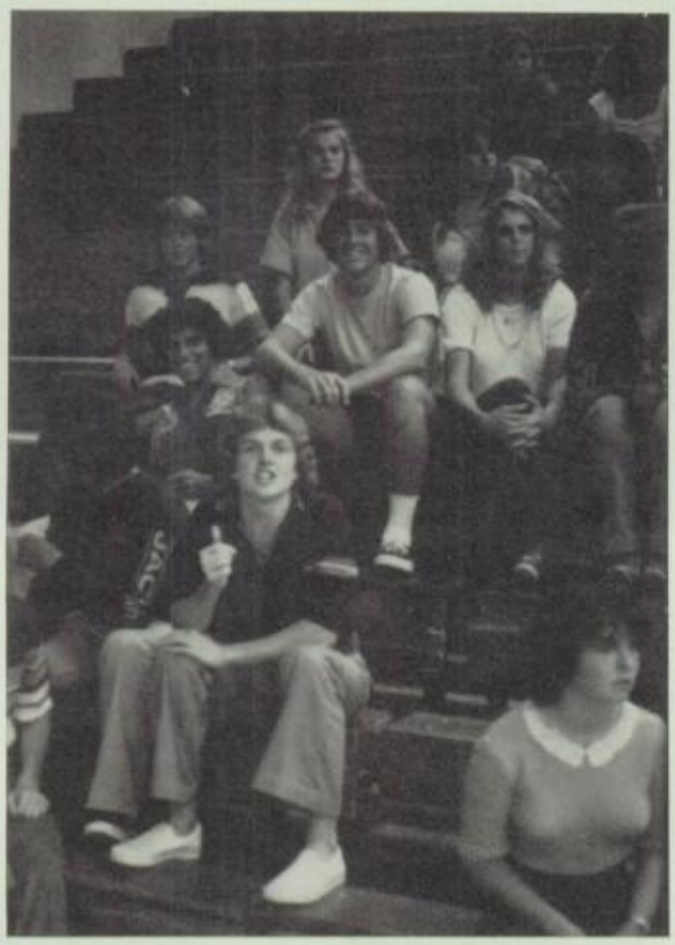
Shall we use purple to signify the majesty of queens and kings and courts of the year?

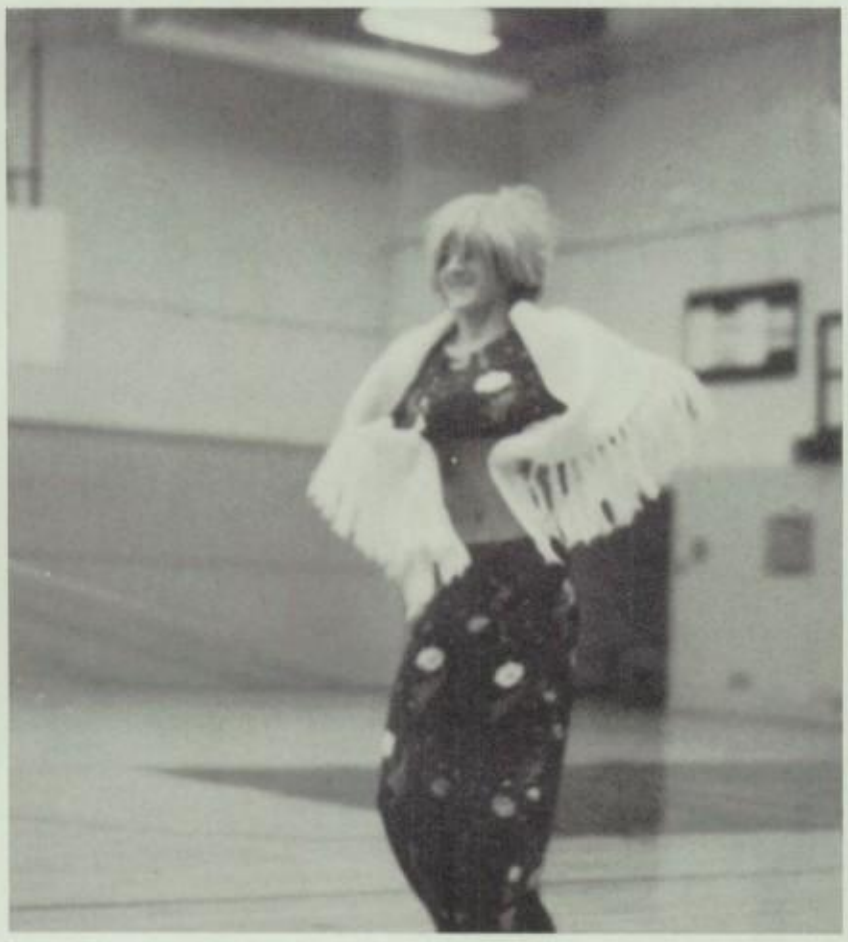
Or shall we use red to signify the excitement of crowds and games and dances and rallies?

Or shall we use yellow to signify the laughter and fun we had the whole year through?

Or shall we use green to signify the growth we've made this year?

Or shall we use blue to signify the sadness we feel for what is gone forever?





Or shall we leave it chrystal clear like the tears that are forming in the seniors' eyes?

I know!

Let's color in a rainbow
And position it in the sky.
And everyone can climb that rainbow,
Picking the colors they desire.
They can search through their tomorrows
For the dreams on the other side,
And hopefully reach that Pot-O-Gold
Found at the rainbow's end.

For the promise of the rainbow,
Which has extended throughout the ages,
Will continue to spread out before us
For ages and ages to come.

ALMA MATER

Alma Mater hear our song,
Let all the world be told,
That we are proud to raise on high,
Our colors blue and gold,
And when the years have hurtled by,
And life we do review,
We'll not forget to give our thanks,
Dear Rowland High to you.

Tracy-

Its been a lot of fun being on song with you these past two years. It seems like each year we get farther and farther apart, though. I hope that our last year in school together we can become better friends. Have a fun summer, especially with Craig. Take care and keep in touch.

Love,
Michele

Tracy hello, I am finally going to write in yor yearbook, only because I am missing you while you are in camp. Just kidding, "Come Here". Im going to tell you this agian and agian, but it will sink in you head. Tracy I love you so much you made this year so pleasant for me really. In the middle of the year when we meet, "boy did we meet". Remember when we were leaning against the wall at johnix Hall's house, and I looked at you with a curious face, I wanted to kiss you so bad, but I was afraid that you would get mad or laugh. I know it is hard to believe, "Me Scared". Ha. I always looked at you as a "10" and I thought you would never like me, "THAT MEAN". But I guess I now I know. (TELL ME MORE OFTEN) Tracy please be with me forever you have to. I will love you forever really "No smoke".

Bub you.
Love you always babe.
YOU DUD ME?
